Poster Guidelines

What to submit:

- Conference style poster in PowerPoint (single slide) or PDF form
- Posters can range in size from 3' by 4' to 4' by 4'
- Poster should include:
 - Title, name, affiliation
 - Background information
 - Procedure
 - Results
 - Discussion
- Aesthetics of poster:
 - Keep font large enough to read from 4' away
 - Graphs should be large enough to read comfortably from 4' away
 - Clean and organized
- Poster does not need to include:
 - An abstract – the poster is an abstract
 - Reference section

All student competition submissions will be rated on the following criteria:

- Relevance to behavior analysis. High quality research will justify the current analysis based on previously published research.
- Integrity of research design and implementation. High quality research will control for the effects of the IV on the DV. Reliability of measurement is needed for a high integrity rating.
- Presentation of research. High quality posters will be easy to understand and aesthetically pleasing (design, layout, color, graphics). Information should be readable from 4-feet away.
