"TODAY'S INVESTMENTS: TOMORROW'S RETURNS"

32ND AUSTRALIA PAPUA NEW GUINEA BUSINESS FORUM & TRADE EXPO 15 TO 17 MAY 2016, CAIRNS CONVENTION CENTRE, CAIRNS, AUSTRALIA.

As Presidents of the Australia Papua New Guinea Business Council, the Business Council of Papua New Guinea and the Papua New Guinea Branch of the Australia Papua New Guinea Business Council we are pleased to launch the program and official booking forms for the 32nd Australia Papua New Guinea Business Forum which will be held in Cairns from 15 to 17 May 2016.

The Forum theme "Today's Investment – Tomorrow's Returns" reflects an important stage reached in Papua New Guinea's economic and social development, and in the bilateral business relationship between Australia and Papua New Guinea.

Papua New Guinea's investments today in infrastructure, human services and gender parity will pay dividends in the future through reducing business costs and allowing economic and employment growth, providing a healthy, well educated work force to meet the growing demands of business, and empowering and utilising the skills and talents of a large percentage of the community not yet fully engaged in the economic life of the country, women.

Achieving these goals is challenging, and can only be achieved in all areas of government through strong governance, fiscal and budget discipline and full transparency.

Australia is the largest foreign investor in Papua New Guinea with investments over many decades totalling around AUD20 million, about the same as Australian investment in China and more than double Australian investment in Indonesia. Yet in Australia the economic relationship goes under the radar with less focus on the positive than on the negative.

Papua New Guinea's investments in Australia are increasing, and Australia is the primary destination for Papua New Guinea's exports, predominantly from the extractive industries. There is considerable scope for expanding the range and destination of Papua New Guinea's exports especially in agriculture.

Invited speakers for the Forum include the Prime Ministers of Australia and of Papua New Guinea, and expert speakers to address a range of topics as detailed in the provisional program included in this brochure.

The Forum will again feature a Trade Expo for Australian and Papua New Guinean companies wishing to use the opportunity to market their goods and services to clients and purchasers in each country, and to broaden their business relationship.

Outcomes expected from the meeting include better insights into business and investment opportunities available through further developing the bilateral business and investment relationship, including through contacts made with other business people. Business groups in each country will present to government issues of policy change and administrative action needed to facilitate bilateral business and investment growth.

The provisional program and booking forms for delegates, trade expo booths, and advertising in the delegates' handbook form part of this brochure. Register early for this conference as space is limited and demand will be heavy. To register, complete the relevant booking forms and send them with your payment to the address shown on the form. A super early bird delegate booking rate applies until 15 January 2016. Booking fees for members are generally the same, or in some cases lower, than at the Forum held in Cairns in May 2014. This is a very good value conference.

Enquiries about registration, accommodation and Trade Expo bookings should be directed to the secretariat of the Australia Papua New Guinea Business Council, on telephone +61 7 3348 5142 or e-mail businessforum@apngbc.org.au or call the Business Council of Papua New Guinea on telephone +675 320 0700 or by e-mail at executive@bcpng.org.pg.
