## CENTRAL FLORIDA CHAPTER 1517

Volume 1, Issue 2

March 1, 2011

### President's Message Pam Gamble

Dear Kappans,  
Can you believe it is March already? Where has the year gone? Our local chapter of Phi Delta Kappa has been busy planning end of the year activities and we've added a special event! We are hosting our first ever Golf Tournament on April 22 at Deer Run Country Club in order to raise money for our scholarship fund. Please see the attached flyer for more information and I hope to see you there. Our annual scholarship awards dinner will be held on April 26 this year, also at Deer Run Country Club. Please see the attached flyer for that information. We always look forward to awarding deserving students with some additional funds that they can apply towards college expenses.

At the same dinner on April 26, our chapter will initiate new members and hold the induction ceremony for next year's board. There are several positions open and we hope to have some new faces on our board. PDK is a very worthwhile organization to belong to and PDK International offers payment options to make dues affordable. Please take a look at the membership section of this newsletter to see how easy it is to become a member of PDK!

Our chapter will also be celebrating its 25<sup>th</sup> anniversary! Awesome!! We are inviting past presidents to join us on April 26 as special guests, and we would love to have their assistance with the new member initiation and the induction of the new board. If you are a past president and plan to attend, please call me at 407-746-2902.

Lastly, fellow Kappans, I want to thank you for your service to Phi Delta Kappa! It has been an honor and a pleasure to be President of PDK Chapter 1517. Many thanks,  
Pam Gamble

## *Membership Corner*

In a year of change, we might find it is time to reconnect with our colleagues and reach out to more of our Seminole friends to bond and spend time sharing our accomplishments and goals. Now is the time to rebuild these relationships and once again, become a part of PDK or join PDK for the first time.

PDK has some excellent membership opportunities, for both professionals and future teachers. Attached to this newsletter are two membership applications. The first attachment is for a professional membership (already working for Seminole County Public Schools), and the second attachment is for future teachers. On the last page of both of our applications include payment options. Also as you recommend colleagues or future teachers to join PDK Central Florida, also consider taking our organization to new heights and getting involved. Currently we are looking for the following positions for 2011-2012. Please feel free to contact any of the current board members with any questions.

*President*

*Treasurer*

*Scholarship*
