Maintenance & Operations

**Team Cleaning Program**

**Due date: October 19, 2010**

School Name: \_\_\_\_\_ Loc Code: \_\_\_\_\_

Fiscal Year 2010/2011 Hours Allotted: \_\_\_\_\_

The custodial allotment for my site is **16 hours or greater** and I am requesting to exercise my option not to participate in the Team Cleaning Program. I have been informed and understand that by electing to do this I am agreeing to the following conditions:

- I understand that under the seniority/bumping provisions of the District’s collective bargaining agreements I may not be able to retain the current incumbent in the Plant Manager position at my school.
- The availability of substitute custodial staff in the event of absences (such as vacation, furlough, illness) will be highly unlikely.
- I am accepting responsibility and understand that I may need to provide additional resources to ensure the cleanliness of my site.
- There will be additional custodial cuts in the upcoming years, which may cause the mandatory inclusion of my site in the Team Cleaning Program.
