Dear \_\_\_\_ & \_\_\_\_:

You are cordially invited to dinner and an interactive presentation at The Bieroc Cafe` from 6:30 - 8:30 p.m. on Thursday, July 22nd. The board members of McCook Community Foundation and Hillcrest Nursing Home Foundation have asked Jim Gustafson, Planned Giving Director of the Nebraska Community Foundation to give an informal presentation on charitable giving. Our goal is education for our board members, community financial professionals and interested donors. Jim is an excellent speaker and you will definitely enjoy his stories that feature several donors.

Our meal will begin at 6:30 and will be followed by the presentation. McCook Community Foundation and Hillcrest Nursing Home Foundation have benefitted from several estate gifts in the past. This presentation will help us all think creatively when it comes to planning for the future.

Please contact Denise Ringenberg, Foundation Director at 308-345-4600 or email: [foundation@hillcrestnh.org](mailto:foundation@hillcrestnh.org) with your RSVP. We look forward to seeing you on July 22nd.

Sincerely,

Doug Skiles
