Camp Information

has stood the test of time, maintaining the splendor, character and atmosphere that made it one of the nation's most famous sports arenas for more than half a century.

The **All Skills** program is open to players of all ability levels, ages 12-18. Here you'll master the fundamentals, develop proper mechanics, and gain valuable game play experience.

The **Advanced** program is recommended for high school athletes (entering grades 10-12) and club players ages 15-18 with a commitment to the sport and the motivation to play at the next level.

Round-the-Clock Supervision: 24-hour supervision is an important feature of volleyball camp. Staff members reside in campers' quarters and participate in all activities.

Overnight Campers reside in Residential College, an air-conditioned, suite style dormitory on campus. The dining hall is conveniently located within ResCo and campers are encouraged to take full advantage of the Hall's other amenities (exercise room, lounges, kitchenettes, laundry room) throughout the week.

Extended Day Campers (9am-9pm) commute to camp each day and receive lunch and dinner on campus. Start and end times vary on the first and last day.

Molten Volleyballs: Campers may purchase a Molten volleyball for \$15, the official volleyball of US Sports Camps. Volleyballs will be provided for each camper to use during the session and purchasing one is optional.
