

TALENT SEMINARS

We are excited to announce that the Talent seminars have arrived!

The seminars, which will be of great interest to high-performing Talent and Performance coaches, will consist of two Talent workshops with a guest speaker who will deliver the topic from their expertise, utilising current research and applied practice.

All the sessions will enable you, as a coach, to take away key messages to apply in your Talent delivery.

All delegates will receive a certificate as recognition of attendance and commitment, plus a sports coach UK gift. The Talent seminars are targeted at UKCC Level 2 qualified coaches, or those working within the Talent pathway and/or with an identified talented performer.

As a coach you will:

- have an opportunity to meet like-minded coaches and share experiences within the Talent environment
- receive useful knowledge, information and practical ideas from speakers who have extensive experience in the Talent environment
- have opportunities to reflect on your current practice and challenge your thinking
- consider ideas from other sports, share new innovations, develop applications and discuss ideas that will benefit your own coaching practice
- receive presentation material and relevant links after the sessions.

The seminars will start at 10am (with registration from 9.30am) and conclude at 4pm. Light refreshments and lunch will be provided during the day.

sports coach UK is heavily subsidising these seminars. As such, the cost to the coach for each seminar is only £30.
