

# Junior League of Mobile

July 1, 2013

The 2013 - 2014 provisional class of the Junior League of Mobile is currently accepting project submissions from non-profit agencies in the greater Mobile and Baldwin County areas. With \$5,000 and more than 600 volunteer hours, Junior League of Mobile is ready to help local agencies and make a difference in our community. One project will be selected from the submissions we receive and the 2013 -2014 provisional class will implement this project at the beginning of 2014.

The Junior League of Mobile is an organization of women committed to developing the potential of women, improving the community through effective action, and promoting volunteerism. With the Junior League of Mobile's focus on children and education, the provisional class is looking for a project that promotes one of these impact areas.

The project selected must be sustainable by the agency. The Junior League of Mobile's contribution will be to fund and complete the project, but maintenance of the project cannot be part of the scope of the project.

A submission form is included on page two. Please fill out the one-page project submission form and email it to the contact at the bottom of this letter. We encourage you to submit more than one project, but please fill out one submission form for each project. Thank you in advance for your submissions.

**The submission deadline is August 15, 2013.**

Sincerely,

Sherie Mabrey and Kristin Williams  
Junior League of Mobile Provisional Chairs
