HPREC President's Message

By John McGowan, HPREC President

Summer has ended, and the children and grandchildren are back in school, so this is a good time for the parents and retirees to take their vacations and avoid some of the crowds. If you have a vacation planned, I hope it goes well. This is also the season for elections, and the Club will be sending ballots for electing Directors with the dues notice this month.

Speaking of dues, the Club has run a deficit for the past four years, and in 2013 will see a deficit of close to \$8 per member for the year. The Board has made conscious decisions to spend down some of our cash reserves and subsidize the three major events each year (Holiday Luncheon, Spring Fling and Picnic), and we have successfully achieved those objectives. By now, however, the cost to print and mail six newsletters and a directory each year amounts to more than \$12/member. When our required liability insurance premium is added, the cost per member is closer to \$13 per year. Accordingly, after much debate, the Board has agreed to increase dues for 2014 to \$15/year. We will continue looking for ways to motivate members to switch from paper mailings to online newsletters and messaging, since the savings are substantial. I hope you'll agree with the Board that the dues still represent a great value, considering the opportunities for HP discounts, travel and volunteer events, social connections and other programs, in addition to the subsidized major gatherings each year.

We have formed an RV/Camping Committee to look at locations and logistics for a get-together of HPREC members who enjoy using their RVs. Any member who would like to be included on an e-mail list for events should contact me or Gary Ruppel. We have access for a small group of smaller RV's at Little Basin during the winter months, though the roads and campsites might be a challenge. We are going to start looking at locations within 100 miles, from Monterey/Big Sur to Bodega Bay and up into the Sierra Foothills as possible outings.

Between golf, hiking and bowling, the Club provides a number of monthly physical activities each month, but we see relatively limited attendance. None of these activities are highly competitive or stressful, and I'd encourage members in the Bay Area (especially newer members) to try out one or more of these. If you'd like to see other activities (bicycle rides, kayaking, etc.) let us know, and the Club will try to promote additional participation.

Finally, a special message around this year's **Holiday Luncheon** on Monday, December 9 beginning at 11 a.m. Following a difficult negotiation with the original hotel and a cost increase, the Board and Luncheon Co-Chairs decided to move the Luncheon from the Crowne Plaza to **David's Banquet Center** in Santa Clara, next to the Santa Clara Golf & Tennis Club and across the street from the new SF 49ers Stadium. Co-chairs Pat Fausett and Jo-Ann Butler are working on prizes, logistics and other details for a terrific event.

IF you put the old location on your calendar or into Outlook, *please* change it now to reflect the new location. David's offers plush seating, carpeted quiet, nice view of the golf course, great food, and they will have their

own holiday decorations, including tree, up for the month. If you were disappointed last year, please consider joining us and seeing your friends again this year at the new location. We are very confident it will be a more enjoyable gathering. Don't delay filling out the registration and mailing in your reservation, as the price will rise after December 1. (Refer to the flyer in this issue for address and sign-up deadlines.)

Plans are already underway for the Spring Fling in March, and we are looking again at outdoor parks again and catering for the Picnic in June. As always, volunteers and suggestions are welcome.

Reminder of benefit for HP retirees...

As the holidays approach, you may be looking for a creative way to share memories with friends and family. If you haven't used the HP Digital Oasis before, you should read this article to learn about a great employee benefit that HP also makes available to retirees in the Bay Area. Not only can you make prints of your pictures, you can also make posters and calendars, all for FREE. It's available all year long and is the busiest over the holidays, so plan accordingly.

HOW: If you have an HP gold badge or gold picture badge, you may park in Level C employee parking and knock on the external glass door of the Digital Oasis Center. It's located on the NW/Page Mill Road side of the building, **near the words "Level C" on the map on the following page.** (Cafe is located at the back of Level C.)

Knock on the glass door, show your HP ID, and Fran, the onsite Center manager, will open the door for you to gain access to the Center only.

Note: You will **not** be able to roam other parts of the building. Call Fran at 1-650-857-5954 if you have questions.

Please abide by these entrance guidelines as well as the monthly quantity maximums in order to keep the traffic in the Center moving smoothly, and so we don't lose the privilege.

WHEN: Week Days: between the hours of 9:00 - 11:30 a.m. and 1:30-3:00 p.m. Fran's preference is that retirees use the Center before lunch. These are the more quiet hours when employees are not visiting the Center.

WHAT: Employees and retirees have a MONTHLY maximum quantity of FREE PRINTS. There are also daily limits that apply to ensure everyone has access.

Here is a reminder about our HPREC New Member Drive which follows the HPREC Membership update. Thanks to all of you who have been bringing in new members to HPREC.

The benefits to joining are many and the cost is very low, even with the slight increase to \$15.00 for FY14. Remember, eligibility to join requires only a minimum of 10 years with HP and/or Agilent, and members can live anywhere. *Note: Anyone joining this September or October, their \$10.00 dues are good through October 2014!*

Please use our **INFORMATIVE BROCHURE** highlighting the key activities and benefits that come along with being a member of HPREC. This brochure is available on the www.hp.com/retiree Web site. Find the “Stay Connected” tab on the home page, click on Retiree Clubs, Bay Area, and then click the item “HPREC Brochure” under Club Information to access the tri-fold brochure. Please print out some copies and give them to your HP or Agilent retiree friends. Or, if you would like hard copies sent to you, send an e-mail to our HPREC Membership Chair **John Weidert** at jweidert2@gmail.com.

Travel Talk

By Your Travel Committee

Your Travel Committee has been hard at work, trying to put together fun and interesting adventures for all members. We were very pleased with the turnout we had for the Annieglass trip to Aptos and Watsonville in mid-August as the bus was full, and we even had a waiting list. (Look for a trip article in the next newsletter.)

As stated in several Travel Talk articles, sign up for trips as soon as you see them listed, as many times we need to submit payment to organizations well before the actual trip date. Case in point: We had to cancel the September trip to the Academy of Sciences because we did not have enough participants by the time we had to pay for the tickets (30 days in advance). We could not afford a bus and tickets for just 15 people. SO...if you see something that you want to do, sign up as soon as possible!

We do have a very large contingency going to see *The Book of Mormon* in January, with a very long waiting list. Because we had to pay for the tickets by June 27, we could not use our “normal” process. Therefore, we are once again going to try to put together a special HPREC Theatre Troubadours’ distribution list and process, which was outlined in the November 2012 HPREC newsletter. This is the process we will use:

- 1> Using a special Theatre Distribution List, we will notify those members of a theatre production via an “urgent” e-mail. The memo will include theatre location, date, and ticket cost.
- 2> The member will have SEVEN business days to respond about attending, with the assumption that no response indicates no interest. If responding “Yes”, we will consider that as a commitment to buying the tickets and paying for bus service. (Bus service runs around \$25 per event, depending on how long we need the bus.)
- 3> The Travel Committee will compile the e-mail commitments and then buy the number of tickets needed for the specific production. Group rates are always less expensive than single purchases. The Committee would finalize bus costs and notify responding members of their required payment, with payment being sent to the usual HPREC address in Mountain View. The payment will be due in SEVEN business days,
- 4> All communications will be via e-mail. If additional activities are to be included, such as a dinner or lunch, we would arrange that IF all participants are in agreement in subsequent communications. That may or may not require additional monies being sent to HPREC, depending on any arrangements we make with restaurants, etc.
- 5> If difficulties arise trying to collect payment from members who do sign up, we will remove those names from our distribution list and eliminate future distributions to those members. Obviously, true emergencies are always taken into consideration.

We used a prototype of this process for *The Book of Mormon*...and it is working well. So, if you want to be on this list, please send an e-mail to: Pat Fausett pat.fausett@sbcglobal.net OR Gail Eatock taichats2@att.net.

Include your name(s), e-mail address and phone number (include area code, please). Those of you who have already signed up, we will notify you that we have your information.

Hope to see you at the Holiday Luncheon on December 9 and *Beach Blanket Babylon* on December 11!

HPREC Hiking News

Compiled by Gary Ruppel

A Great Day for a Hike at Wunderlich County Park

By John McCabe (leader)

In July, twelve HPREC hikers enjoyed a nice shady hike in San Mateo's Wunderlich County Park. We went up a steady 950 foot climb to The Meadows which are at 1,430 feet. On the way, we stopped amongst the lovely redwood trees at Alambique Flat and took the group picture shown below.

(L-R): Ed White, Klaus Model, Marcia Adams, Janis Andrews, Jim Hull, Blanca Guerrero, Bernard Bruand, Dee Bialy, Stan McCarthy, John Kwan, Duncan Missimer, and John McCabe.

After going to The Meadows, we steadily hiked our way back down, and we enjoyed our lunch among the trees at Redwood Flat. In addition to the redwood trees, we enjoyed the shade of toyon, madrone, and oak trees. We also stopped by a very green salamander pond; however no salamanders were seen. Deer were seen along with a variety of birds, a rabbit, and a banana slug.

If you are interested in doing a hike in San Mateo's Wunderlich County Park, take Highway 84 (Woodside Road) West (toward the mountains) from Hwy 280, go 2.7 miles, and turn right into Wunderlich County Park. All hikes begin and end by the historic Folger Stable; it was once part of the Folgers Coffee family estate. Our hike took us on portions of the Alambique, Bear Gulch, Redwood, and Madrone Trails.

HPREC Hikers Hit the Bluffs for Summer Wildlife Viewing

By Ed White w/photos by Janis Andrews

On August 13, the six HPREC hikers who were not off on exotic vacations walked along the bluffs of Half Moon Bay through seven local and state beach parks, from Poplar Street to Miramar and back. At the outset, we watched a stunning red-shouldered hawk glide in front of us to snatch a small snake from the trailside shrubbery and fly off for breakfast.

Later, we saw some rabbits scurrying out of sight, possibly to avoid the same raptor. At lunch time, we sat on some rocks at Miramar and watched a pod of dolphins, a bob of sea lions and a poke of pelicans all fishing for their lunches in shallow water at the surf-line.

(L-R): Ed White, Janis Andrews, John Kwan, Bernard Bruand, Yoke Ping, and Duncan Missimer.

Along the route, in addition to the usual Monterey cypress and Cape ice plant, we saw California lotus, morning glory, wild radish, yellow bush lupine, beach primrose, naked ladies (chuckle), seaside daisy, fennel, wild mustard, tree mallow, poppy, aster, horsetail fern, ragwort, pearly everlasting, and common wooly sunflower.

← How many engineers does it take to operate a parking machine?

The 6-mile route was flat and offered good views, but is crowded with campers, cyclists and dog-walkers in fair weather. You can access the trail from Highway 1 via Poplar St., Kelly Ave., Beach Ave., Venice Blvd. and Miramar Drive. You can continue on the trail to the 4.5-mile point and lunch at any of several restaurants in Princeton-by-the-Sea, including Sam's Chowder House, Barbara's Fish Trap, Mezaluna and the HMB Brewery.

Lite Hiking Is Easy at Palo Alto's Baylands Park

By John McCabe (Leader and Photographer)

August 21 was a nice, cool day to walk around the Palo Alto Baylands. Sixteen hikers took the opportunity to get some exercise while enjoying each other's company.

(L-R): John & Barbara Trone, Cherie Baker, Keith & Karen Lee, Bernard Bruand, Yolanda Squarcia, Kuo-Jung Chang, Barbara Beebe, Carol Arnett, Marcia Adams, Sharon Jacobs, Ann & Larry Byler, and Cecilia Noval.

There were lots of birds and airplanes to be seen as we walked along the creeks and sloughs to and by the airport. The birds included American avocets, willets, cliff swallows, great and snowy egrets, American white pelicans, Canada geese, and a variety of ducks. We went right under the extension of the runway. Several small planes took off right over our

heads. We then walked out to the end of the boardwalk by the Lucy Evans Nature Center and had great views across the bay.

This portion of Palo Alto Baylands is a nice place for a level hike of whatever length you like. Dogs on a leash are allowed. The gravel paths are wheelchair accessible as Sharon demonstrated. Start your hike by parking by the Lucy Evans Nature Center, 2775 Embarcadero Road. To get there from Highway 101, the Bayshore Freeway, take Embarcadero Road northeast (toward the airport) until it ends; go left at the “T” intersection and past the Duck Pond. When you see a sign on the left saying “City of Palo Alto Lucy Evans Nature Center,” park in the lot across from it.

RETIREE VOLUNTEERS

hp.agilent.volunteers@hotmail.com

Marine Science Institute

By John McCabe

HP and Agilent Retiree volunteers enjoyed looking at lots of kids’ artwork while munching on bagels, and had a good feeling while doing it. “How was this?” you ask. The artwork was done by local schoolchildren who had spent time on Marine Science Institute’s research ship, the Robert G. Brownlee, and sent artwork illustrating what they learned. The good feeling came from knowing that they were assisting MSI’s fundraising. The artwork they helped select will go into MSI’s calendar; the “*Translating the Tides*,” which will be given to donors and used for fundraising. Thanks Joe for the bagels!

Sunnyvale Community Services (SCS)

By Marialis Seehorn

As the coordinator for volunteer events at Sunnyvale Community Services, I was again amazed on July 15 with the efforts of the 17 volunteers who sorted and bagged produce, directed traffic and checked in client families and seniors served by this organization.

However, SCS's clients weren't the only ones who benefitted. As some folks told me later, helping out at SCS creates some good feelings about themselves and their efforts. After a morning spent loading heavy grocery bags in clients' cars, Richard Gee commented, "I felt a personal reward helping less fortunate people. . .I felt valued." And 'team efficiency techniques' gained from working at HP and Agilent were reused. Lillian Hull noted that when a bottleneck developed on the bagging line, "Just like at work, we shifted resources as needed to get the job done."

Two of our "heavy lifters" -- Al and Keith.

One of our bagging teams — Irene, Kathy, Lillian, Marsha and Shirley amid the corn, peppers, plums, onions, potatoes and more.

What's fun for me, besides working with such a great team, is seeing many of the same volunteers returning for successive events. But -- we can always use a few more hands. Check out the volunteer flyers listed in this newsletter and sign up! Hope you can join us!!

Traffic directors-- Richard and John

Padua Dining Room

By John McCabe

The summer harvest was in full swing, and the HP and Agilent retiree volunteers who came to the Padua Dining Room saw a lot of it. In order to help feed the people coming for a good meal, we cut up lots of patty pan squash and cucumbers; prepared fruit salad; separated good potatoes, nectarines, and pluots from the bad; served food; and generally did whatever needed to be done.

Rosemary, Blanca, Jerry, and Stella enjoyed each other's company while preparing fruits and vegetables for today's meal.

Who knew that cutting up fruit would be so much fun? Marsha and Wanda show that it was.

(L-R): Jerry Lee, Blanca Guerrero, Wanda Ching, Al Low, Stella Lee, Rose Mary Brodbeck, Marsha Lee, Bernard Bruand, John McCabe, Karen Lee, and Keith Lee with some of the good potatoes they found among the bad.

HPREC Monthly Activities

By Lidia Donez

Golf

By Phil Smith

It was a typical mid-summer day at the Sunnyvale Golf Course on July 18, with sunny skies and brisk winds in the afternoon. For the 21 golfers, it was a fun day to play, especially for those that found their skills still working for them. The ‘skilled’ players who took home the prizes were:

Men’s Flight:	Ben Lee	Net 64
Low Putts	Navin Shankr	32
Ladies Flight:	Rhonda Louie	Net 68
Low Putts:	Gail Kurisu	29
Closest-to-the-Pin:	Ben Lee	Hole #4
	Rhonda Louie	Hole #7
	John McGowan	Hole #13
	John McGowan	Hole #15

The San Jose Muni Golf Course tends to bring out the best play for many golfers. And we had the best of the weather on August 15, with the 18 players having clear skies and a nice breeze to keep things cool. The ‘cool’ golfers, who worked the course to their favor to win the golf ball prizes were:

Men’s Flight:	John McGowan	Net 60
Putts	Chet Meyer	29
Ladies Flight:	Mary Gong	Net 71
Putts	Mary Gong	38
	Janice Nakao	38
Closest-to-the-Pin:	Judy Marchi	Hole #4
	Mike Carveiro	Hole #7
	Mike Carveiro	Hole #12
	Chet Meyer	Hole #17

The 2013 HPREC golf tournament season is quickly coming to a close. The final tournament will be at Los Lagos on October 17. The Golf flyer for Los Lagos is in this newsletter, so reserve your spot for this final round at a very interesting course. As a member of HPREC, you can invite a friend to play along with you, member or not. We hope to see you at Los Lagos. Of course, the October weather should be perfect for this finale.

“Nothing straightens out a nasty slice quicker than a sharp dogleg to the right.” Anonymous

Tours of the HP Garage

Look for the flyer in this newsletter about upcoming opportunities to visit true HP history. The second Thursday of the last month of every fiscal quarter (Apr., July, Oct., Jan.) offers a free one and one half-hour tour of the HP Garage in Palo Alto, HP’s first business site.

Returning, we will follow the Ridge Trail to Goat Rock and the interpretive shelter. Round trip is about 6 miles. The trail alternates between brushy hillsides and madrone and oak filled canyons, the second quarter of it will be exposed to the sun. Bring long pants to avoid poison oak.

Difficulty: There are some difficult rock scrambles, steps and cables. This hike is not for those with knee and hip problems.

Bring: Water, lunch and \$4.00 to reimburse carpool drivers.

Then go 1.2 miles to the Enid Pearson Arastradero Preserve parking area (with restrooms) on the right. To go directly to the trailhead, take Skyline Boulevard (Highway 35) 2.5 miles south of Saratoga Gap, which is the junction of Highway 35 and Highway 9. The main entrance parking area is on the right. There is a parking fee. Bring a pass if you have one. I have some passes to share.

Additional Carpool Location: As we have to pass through Saratoga to go up Highway 9 to Saratoga Gap on Skyline Boulevard, I suggest the hikers living in the south valley to meet in the Argonaut Shopping Center parking lot on Sunnyvale-Saratoga Road and Blauer Drive in front of Starbucks to carpool at 10:15 a.m. We can meet up there with the carpools from our regular lot.

www.hp.com/retiree

(maintained by HP employees)

These five tabs below are found across the top of the HP developed and maintained retiree Web site:

Overview – Home page; HP News links

Look on right side of home latest info on HP press

page and click on **News and Feature Stories** for the releases and strategic focus.

Stay Connected – Continuum, HP's e-mail

Retiree Clubs, HP Alumni Association & HP list, Facebook connection

If you wish to receive periodic e-mails from HP of interest to retirees, go to **Stay Connected** tab across top, click on **Join HP's retiree email list**, and follow the instructions.

Benefits – HP Benefits, Employee/Retiree Purchase Program (EPP), Vendor Discounts

Click on the **Benefits** tab, then the link on the right hand side of the page called **Discount Programs from HP Vendors** (mostly national). Click on **Employee/Retiree Discounts**, click “Accept Terms” and “Submit”. Refer to the Passwords section (in this article or on page 5 in your annual Member Directory) for user name and password whenever prompted.

View all the categories. You might find something useful (ex: car rental, cell phones, fitness clubs, and more). Look for the “R” indicating retirees are also eligible for the employee discount.

Contacts - **HP & Agilent Contacts and Change of Address information**

If you need to reach someone at your former company, find the **contact** by clicking on this tab, then looking for your topic. There are phone numbers listed. If you move and need to report a **change of address**, you can find a list of who to notify here as well. The SAME information is also found on pages 7-17 of your annual HPREC Member Directory (mailed to your home every February).

Information Directory - **A-Z list (Site Map)**

Remember, the **Information Directory** tab (Site Map) is an alpha listing to help you find something. Click on the topic and it will take you straight to the appropriate page.

Refer to your Member Directory for helpful material that includes navigation tips for:

- HP and HPREC Retiree Web sites
- Other helpful HP-related sites (discounts) and (HP Alumni)
- Passwords to all sites
- Stay Connected via E-mail

www.hpretirees.com/hprec

Visit our Club’s site to see published newsletters, coming events (updated routinely), add your name to the e-mail database, view list of Officers and Board members if need assistance or have an idea to share, or read the Bylaws if you’re really bored. Your annual Member Directory also outlines what’s available on our Club Web site.

Stay Connected via E-mail...

For retirees to receive periodic e-mails from organizations that fit your interests, you have **three** places to sign up: HPREC, HP, and HPAA. For privacy reasons, these cannot be shared.

NOT receiving bi-monthly e-mails (from me) that your Club newsletter has been posted online?

NOT receiving periodic e-mails (from a Board member) about important news that can’t wait for the next newsletter?

To sign up for Club news, go to our HPREC home page www.hpretirees.com/hprec, go to Retiree E-mail List:

- 1) **If you have not yet added your e-mail address** to our secure online directory, click on “Add your e-mail address”, review the available member options in the double-lined box in this article, then select your preferences.

The Member Options allow you to choose to:

(a) stop receiving your paper version of the newsletter in the U.S. Mail and review it online in full color in one-column format; also saves postage costs for the Club.

(b) receive an e-mail notification (from me) each time a new newsletter has been posted to the Web site.

(c) receive periodic e-mails from HPREC (maybe one message every month or two) with pertinent Club-related news.

2) **If you previously added your e-mail address and need to change something**, click on “Change existing e-mail address or change member options.” Make sure you’ve chosen “elect to receive an e-mail notification (includes passwords) when your newsletter is posted to the Club Web site.”

Remember, this is a self-maintaining database of retiree Club members’ e-mail addresses. Contact me if you need assistance.

For password information to be routinely sent to you, refer to our bi-monthly e-mail from hprec-bayarea@hpretirees.com, notifying you that the latest newsletter is online. If you are not receiving this e-mail, you have not chosen this as one of your options. Refer to **(b)** in the double-lined box in this article.

In case you’re wondering, the reason I don’t repeat the u/n and p/w in all sections of the newsletter is so the Webmaster doesn’t have to bleep them numerous times when the newsletter is posted to the Club’s Web site...security reasons.

We really appreciate everyone who has signed up to receive occasional communication from the Club. It helps!

(Maintained by former HP employees)

The HP Alumni Association operates online e-mail discussion forums for former HP and Agilent employees and current retirees, and is a vast resource of information.

Being an HPAA member is extremely helpful in transitioning out to life after HP/Agilent and is a great place to post a question and get lots of advice from former employees.

Sign up, it’s free to join. It also does not require the typical 10-year service requirement to join an HP retiree club. You can belong to HPREC and the HPAA.

**Lucile Packard
Children's Hospital

Monday, September 23, 2013
at The Golf Club at Boulder Ridge
San Jose, California

<http://billanddavegolf.com>

The Bill Hewlett and Dave Packard Charity Golf Classic honors Bill and Dave with respect, fond memories and dedication to their philanthropy. The 19th Annual Bill Hewlett and Dave Packard Charity Golf Classic will be on Monday, September 23, at the Golf Club at Boulder Ridge, an exclusive private course overlooking San Jose's breathtaking Almaden Valley. If they act quickly, HPREC golfers and their friends are invited to this event. The facilities are top notch, and the golf course is fabulous. Its panoramic views of the beautiful Santa Cruz Mountains and the entire surrounding Silicon Valley will take your breath away! Between the spectacular scenery and a landscape dotted with amazing giant boulders left behind by the last Ice Age, your every moment at Boulder Ridge will be magical, awe-inspiring, and something to remember!

Proceeds from the event will benefit the Teen Health Van, a community outreach project of the Lucile Packard Children's Hospital at Stanford. Since the tournament's inception in 1995, over \$550,000 has been donated to Lucile Packard Children's Hospital. The Van provides free expert care, custom-designed for high-risk youth ages 10-25 who rely exclusively on the Teen Van as their only link to a network of services and knowledge they urgently need. Since 1996, Lucile Packard Children's Hospital has been mobilizing its experts and sending them out to meet vulnerable teens in Santa Clara, San Mateo and San Francisco counties. For more information about the Teen Van or the Lucile Packard Children's Hospital at Stanford, please visit www.lpch.org.

The day's events will begin with chipping and putting contests in the morning, followed by a box lunch and a shotgun start at 11:30 a.m. The tournament will be in "four-player scramble" format. Carts, ample refreshments, and numerous side-contests will be provided.

After the tournament, participants and guests will attend an awards dinner at the Boulder Ridge Pavilion, hosted by Gary Scott Thomas, Bay Area radio personality and morning show host at KRTY-FM in San Jose. Awards will be presented by Thomas; a grand prize, donated by HP, will be drawn; and a silent auction will benefit the Teen Health Van.

Sign up by going to billanddavegolf.com and registering for the event. Note that you can register and pay online or mail in your form. You can sign up as a foursome, a single, or whatever. The registration fee of \$225 includes 18 holes of golf with cart, a box lunch, a deluxe dinner, range balls, a personal tee prize for each golfer, numerous opportunities to win additional prizes, and the good feeling which comes from helping a good cause. A \$90 portion of the registration fee is a tax-deductible contribution to the Lucile Packard Foundation for Children's Health, the charitable organization supporting the Lucile Packard Children's Hospital. In addition to allowing you to sign up, the Web site billanddavegolf.com has event details, our 2013 sponsorships, pictures, and history.
