

Plan a Spelling Bee for 2013!

The Association of Illinois Senior Centers and the Illinois Department on Aging invite your organization to host a Senior Spelling Bee in 2013.

The Illinois State Senior Spelling Bee competition is an exciting statewide program that provides Illinois adults age 50 and older the opportunity to showcase a lifetime of knowledge and to celebrate years of experience through their spelling abilities, allow continual learning, and keep their brains active.

The competition is easy to execute and the program includes three levels of competition, including the State Finals at the 2013 Illinois State Fair on Senior Day, Monday, August 12 inside the Illinois Building Auditorium at 1p.m.

Providing this great opportunity for your community is as easy as:

1. Sign up to host a local competition by completing and submitting the Host Registration Form.
2. Receive a FREE administrative handbook with materials necessary to host the competition. The handbook includes rules, registration forms, award certificates, press releases, and more.
3. After completing your competition, provide regional competition information to your winners.
4. Submit results to the regional bee sites.

Levels of Competition

Local Bees held March-May, 2013
Regional Bees held June-July, 2013
State Finals held August 12, 2013

Senior Spelling Bee Host Registration Form

First Name: _____ Last Name: _____
