Advanced Cash Flow Analysis

March 27, 2014

This seminar will explore multiple models of both business and personal (business owner) cash flow analyses and is a must for all commercial lenders and credit analysts! The business cash flow section will include “traditional” EBITDA cash flow, Fixed-Charge Coverage (FCC), Free Cash Flow (FCF), Cash Basis Cash Flow, and the UCA Cash Flow (using the Moody’s Risk Analyst software spreadsheet). The personal cash flow section will detail the cash flow analysis of the “business owner” using the 1040 tax return and personal financial statement.
