ABOUT HF:

In 2006, Ridley High School graduate Nicholas "HEAD" Colleluori created the HEADstrong Foundation (HF) when he was diagnosed with non-Hodgkin's Lymphoma at the age of 19. After a 14-month battle, Nick succumbed to the disease but his legacy lives on through the services and programs provided by HEADstrong to patients and families affected by cancer. HF is a nonprofit located in our hometown whose mission is *HEADING efforts to improve quality of life for those affected by blood cancers and supporting those are working to eliminate the diseases.*
