**Prepared by: Bruce Holter/BNE Staff**  
**Meeting Date: April, 2007**

### **Legislative Report - 80<sup>th</sup> Regular Texas Legislative Session: July, 2007**

The report that follows includes all bills followed by Board staff which were enacted by the legislature. Bills included in the April 2007 Board Report (Item 1.3) which were not enacted by the legislature are not included in this report. Nursing Department staff member assistance was instrumental in following and reporting on the bills included in this report. Because bills were distributed to staff members by topic areas determined early in the session, several staff members received a larger number of bills to follow. The staff members which reported on the bills are listed by their initials in the first column of the report. Bills impacting the Nursing Practice Act are included first in this report. They are followed by bills which relate to nursing practice or agency operations.
