When is the ACT Preparatory Course being offered to students from White Bear Lake Area High School –South Campus?

The 12-hour **ACT Prep Course** at **White Bear Lake Area High School-South Campus** is offered on Wednesdays and Saturdays beginning in February. If you miss a class, you may attend make-up classes at any of the other area locations. The Advantage provides all of the materials you will need for the course, and although we recommend that students do practice work at home, it is not required.

Who should take these courses and how much will this program help me?
