FROM THE PRINCIPAL

Welcome to the last newsletter for Term 1. It has been a very busy but successful term.

Parent Teacher Evening

It was extremely pleasing to see the number of parents who came to meet the teachers on Tuesday of this week. The atmosphere was very productive and I would like to thank those who completed the feedback survey that was handed out with the Interim Reports. So far the ones we have looked at have been positive, but I will reiterate that if there are issues parents should not hesitate in contacting us. At some times during the evening things got very busy and we are conscious of this. We have been under the control of the DEECD re the hours allowed for these interviews and this has placed limitations on the structure of the day. I believe that we will have more flexibility in the future so we will be looking at running a whole day, without morning classes to spread out the work load. It will be better for teachers and better for parents.

Staff changes for Term 2

Two of our staff members will not be with us in Term 2. Ms Dyson is moving to Canada to live and work so we wish her all the best in the future. Mr Hughes is taking Long Service Leave. We have appointed two new teachers as replacements, both with Phys Ed and Science qualifications.

Facilities

Probably the highlight of this term has been the purchase of a replacement school bus. Our old one had reached 15 years of age and was on the way out. Although it was meeting Government Compliance standards it was not adequate any more in terms of reliability and comfort for our students.

A new staff parking area will be developed behind the Year 12 study centre. This will alleviate staff parking problems we have in other areas of the school and free up more space for student activities.

Some landscaping will be done around our recently completed basketball courts as the last phase of that project.

A number of extra interactive white boards will be installed around the school. These are a highly sought after teaching and learning tool.

Fund Raising

The College has had two major charity fund raising activities over the last two weeks. All students and staff involved are to be congratulated for their efforts. The Shave for a Cure fundraising led by Tayla Goodwin and Ms Hughes raised over \$800 and the Year 9 Carnival raised over \$3500. Well done to everyone involved.

School Council

School Council met on Monday of this week. The purpose of this meeting was to ratify the Annual Report and the Annual Implementation Plan as well as to finalise parent and staff representatives. The members of School Council for 2012 are:

Daria Villani
 Maria Viglione (Staff rep)
 Heidi Bowles (Staff rep)
 John Walsh: President
 Anne Moloney: Vice President (Parent rep)
 Lisa Robertson: Treasurer (Parent Rep)
 Mari Hackney (Parent Rep)
 Gavan Wignall (Parent Rep)
 Andrew Dickie (Parent Rep)
 Anthony Bowker (Parent Rep)
 Phoebe Robertson (School Captain)
 Lachlan John (School Captain)

In closing I would like to wish all students and their families a safe and happy holiday especially with Easter coming up.

Principal

Work Experience

**The Work Experience dates for Year 10 are;
 Monday 18th June 2012 – Friday 29th June 2012
 (The last two weeks of term 2)**

Students should have had their placement organised and the forms returned to the school. It is important that any students who have not yet organised a placement do so over the holidays. Occupational Health and Safety training for all students begins in May so it is imperative that the forms are returned as soon as possible. If this is not possible please contact Ms Bernadette Young on 9337 2488.

Students who are completing work experience in the Building and Construction industry and associated industries such as electrical, plumbing, etc. are also required to complete the Industry OH&S "White card training". This is done at the school, but is run by trainers from the CFMEU. The training is in the week beginning 7th May, 2012. This training is mandated by Work Safe. All workers entering building sites must have this card and are registered on Work Safe. There will be an additional cost of \$55 for this course. Please speak to Ms Young if you require a form for this course. I look forward to working with you to provide another successful work experience program in 2012. Please contact me if you need further information or have any queries on 9337 2488.

As we transition into more autumnal weather there have been some inappropriate combinations of summer and winter uniforms on display. Parents and students are reminded that:

- Summer and winter uniforms may not be combined
- Tights of any colour must not be worn with the summer uniform, and only navy tights are to be worn with the winter kilt.
- Girls' socks must be white
- Scarves may not be worn with the summer uniform, and only navy or black scarves may be worn in winter.
- The college spray jacket should be worn in addition to the jumper, not instead of it.
- Hoodies are not to be worn at all and will be confiscated.
- Where students require extra warmth, they are permitted to wear a white T-shirt or skivvy under the college shirt. Coloured items should not be worn or must not be visible.
- Shoes must be plain black leather or suede, NOT canvas or mesh, and must be secured to the foot with straps/buckles or shoe laces.
- Piercings - should be limited to 1 pair of discreet earrings only. Facial piercings and numerous ear piercings are not permitted. Ear stretchers should not be worn.

Parents are asked to use the holiday period to get students' winter uniforms in order, ready for Term 2. Students may begin wearing winter uniform from the beginning of Term 2, and we require all students to be wearing winter uniform by Week 4 of the term, Monday May 7th.

We thank parents for their anticipated cooperation in this matter.

Japanese Exchange Program 2012

Rosehill is seeking host families for 11 Japanese students (8 female and 3 male) from our sister school, Kogakkan High School. The students will be in Melbourne for approximately 14 days from the last week of July to the first week of August.

The exchange program between Kogakkan High School and Rosehill Secondary College has been running for more than 10 years and has been very rewarding for students and families alike. During previous trips to Japan, Rosehill students have had the opportunity to catch up with students they hosted in Australia.

If you are interested in hosting a student, please return the slip below to Mrs Smart or Mr Hayakawa. If you would like additional information about the homestay program such as how much money is provided and what needs to be covered, please do not hesitate to contact us.

Host Families Needed For New Exchange Students

Girls and boys aged 15-18 from Italy, Belgium, Germany, Holland, Japan, Brazil, Sweden and Austria are hoping to come here to study for 5 or 10 months from July this year but need a willing volunteer family to host and welcome them. If you feel you could do this for them for the length of their stay or even some of it, please contact Klaus Schumann on (03)97584279 and let me know of your interest.

Yours sincerely

Senior School News

Year 12s should expect to have work set for the holiday period and so should set aside some time to complete that work. Term 2 is a busy term with all subjects having SACs and some subjects having a mid-year Examination.

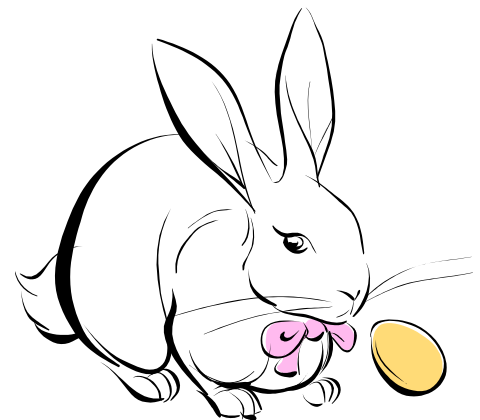

Students with subjects that have an examination have 8 weeks of study before the examination. Students should use the holiday period to begin their revision program – preparing Study Notes, printing practice and past examinations, drafting a study and revision timetable, organising which Revision Lectures they may attend.

Students are reminded that assistance in preparing these revision timetables, Study Notes, etc, is available from any of the Senior School staff.

Year 9 Carnival

On the 23rd of March 2012 the year nines held a carnival for the rest of the school. The students got into small groups where they collected donations and organised a stall to raise money for The Good Friday Appeal. They surpassed their goal of making \$3000 and raised approximately \$3500 where \$3000 of this is going towards the Good Friday Appeal. The remaining proceeds will be donated to a number of other charities of the year nine's choice including; Beyond Blue, The Cancer Council, The Starlight Foundation.

The year nines put in a lot of effort to produce their stalls and the day was a big success. Their teachers and peers gave positive feedback to the students and even the sun came out for the afternoon celebrations.

We would like to show our appreciation and thanks to all the teachers, parents, students, organisations and companies who assisted the year nines in this process. We are grateful for all the donations and time spent to make this day a success.

A big thank you to the following organisations and companies who helped us achieve our goal:
