Medium and Large Event Permit Application on Public Property

An event is any activity upon public property that will affect the ordinary or permitted use of that property, public streets, rights of way or sidewalks; or will incur extraordinary costs for personnel, materials, and services by the City. A permit is needed if it generates impacts greater than the normal and customary use of City property, parks, streets, rights of way or sidewalks.

If an event occurs on private property and anticipates greater than 300 participants the property owner/sponsor must notify the City in writing 14 days in advance. This will be to work with the City to be sure that public safety issues such as traffic, parking and noise are mitigated and that public safety personnel can be notified in case of an emergency. This can be done by letter or email to the Recorder at recorder@jacksonvilleor.us or PO Box 7, Jacksonville OR 97530. Please include date, start and end time, anticipated number of participants and contact information for the event coordinator. No permit is required as long as the entire event occurs on private property.

PERMIT PROCESS

This Event Permit Application serves a dual purpose. First, it is intended to provide the City of Jacksonville with information needed to evaluate your application as it relates to public health and safety. It is also to help you plan and organize your event. If questions do not apply to your event simply indicate so by writing “**not applicable**”.

The permit application process begins when you submit a completed application along with the base fee to the City of Jacksonville. Acceptance of your application does not constitute final approval of your request. The application will be reviewed in accordance with all applicable chapters of the Jacksonville Municipal Code. The applicant is responsible for compliance with all applicable federal, state and local laws and regulations.

There are two levels of fees for this packet; \$100 for a packet which requires no City Council approval and \$200 for a packet which requires any City Council approval.

Applications shall be submitted no later than 30 days prior to the scheduled event. In many cases an event request might be reviewed by the Planning Department, Public Safety Departments and the City Council. It is the applicant’s responsibility to provide the requested documentation in a timely manner.

No application will be accepted without the base \$100 fee. The applicant will be notified if Council approval is needed. The additional \$100 fee will due at time of notification. Items needing Council approval have been indicated on this permit application in order to help you plan.

An increased volume of vehicular or pedestrian traffic, parking issues, trash, noise or refuse is an example of an increased impact as identified in the first paragraph. Events may include, but are not limited to, fairs, art and hobby shows, farmer’s markets, educational or cultural events, festivals, and block parties. Demonstrations and other lawful assemblies, including but not limited to private social gatherings that will make no use of City streets, parks or rights-of-way other than for lawful parking do not need an Event Permit.

Throughout the review process you will be notified if your event requires any additional information, permits, licenses or certificates in order to complete the review process. (Contact: City Recorder, at PO Box 7 or 110 E Main St, Jacksonville OR 97530. Email recorder@jacksonvilleor.us, Phone 541.899.1231 and Fax 541.899.7882)
