

Sohag University

Curriculum Vitae

- Name** : *Ashraf Ismail Embaby Ahmed.*
- Date of birth** : *December 1, 1981.*
- Place of birth** : *Sohag, Egypt*
- Marital status** : *Single.*
- Citizenship** : *Egyptian.*
- Military status** : *Not applicable.*
- Local address** : *Faculty of Science, Geology Dept., Sohag, Egypt.*
- E-mail** : ashraf_2004e@yahoo.co.uk
- Current Job** : *Assistant Lecture*
- Work address** : *Geology Department, Faculty of Science, Sohag University, Sohag, Egypt.*
- Work phone** : *002-093-4602964 (Ask for Geology Dept.).*
- Home phone** : *002-093- 2550029 (Sohag)*
- Mobile phone** : *002-012-2894402*
- Fax number** : *002-093- 4601159 (Faculty of Science- Sohag University)*
- Postal code** : *82524*
- Degree** : *M. Sc. in Geology (Geology and geochemistry of Igneous and metamorphic rocks).*
- Language skills** : *Arabic (native language)*
: *English (very good) International Toefol IPT (520).*
: *German "Deutsch" (Very good), study 400 hours, Grundstuf III.*
: *French (Good)*
- Computer skills** : **ICDL (International Computer Drive License)**

Certificates

2002: *Bachelor of Science in Geology, 2002 (Very Good).*

2004: *Preliminary of Master of Science in Geology (Environmental Geochemistry, Very Good).*

2009: *Master of Science in Geology*

The title of the thesis:

"Geology of Wadi El-Atrash Area, North Eastern Desert, Egypt."

Working Experiences

- *May 2003 until now, I have been working as a teacher and research assistant in Geology Department, Faculty of Science, South Valley University (Now Sohag University), Egypt.*
- *Working as researcher in geology and geochemistry and practical teacher for all scientific students in geology for almost 6 years ago (for 30 hours per week) until now.*
- *Sharing the supervision of the Research Projects workers by the final year B.Sc. students from 2004 to 2008.*
- *Extensive experience with computers,) and statistical programs (Minitab 15,) with data handling, mapping programs (Surfer 8, ArcMap 9.2) and many other application programs (Grapher 5, CorelDraw5,9) .*
- *Very good in computer skills and internet communications, and also a Practical Lecturer in computer skills and internet communications in the International Center and Communication network, Sohag University.*
- *Have a grade certificate from the Academy of The local Teacher Preparation in Faculty of Education, Sohag, South Valley University (having a grade certificate for that).*
- *Teaching practical Mineralogy, Structural geology, structural analysis, Petrology of igneous and metamorphic rocks, Basement rocks, photo geology and Economic Geology 2003-2009..*
- *Good experience in field and lab. work during M.Sc.*

Training Programms

- 1- **Production of Geological and morphological maps by using Remote Sensing and GIS techniques:** Date from the 23rd of March to the 27th of March 2008; through Arab council of Post-Graduate Studies and Science Research of Union Arab Universities.
- 2- **"Remote sensing, Fundamentals and Applications":** Date from the 14th of November to the 18th of November 2009.
- 3- **Session of Universal Teacher Preparing:** Date from the 17th September to the 3rd October 2007. Faculty of Education, Sohag University, Egypt.
- 4- **Enhancement Skills of thinking Skills:** Date on December 2004; through the Faculty and Leadership Development Project (FLDP), Sohag University, Egypt.
- 5- **Skills of effective Teaching Program:** Date from the 17th to the 20th of September; through the Faculty and Leadership Development Project (FLDP), Sohag University, Egypt.
- 6- **Recent approaches of Teaching Program:** Date from the 8th to the 10th of May 2007; through the Faculty and Leadership Development Project (FLDP), Sohag University, Egypt.
- 7- **Enhancement Skills of the Effective Showing:** Date from the 15th of May to the 17th of May 2007; through the Faculty and Leadership Development Project (FLDP), Sohag University, Egypt.

8- **Styles of the Scientific Research Program:** Date from the 19th of May to 22nd of May 2007; through the Faculty and Leadership Development Project (FLDP), Sohag University, Egypt.

9- **Administration of Research Team:** Date from the 24th of November to 30th of November, 2007; through the Faculty and Leadership Development Project (FLDP), Sohag University, Egypt.

Personal Skills

- *Very active, self motivated and very good at critical thinking tasks*
- *Eager to learn and gain new knowledge and experiences*

International Conferences Committee

- *The International Conference on the Geology of Africa, Assuit University 2005.*
- *The International Conference on the Geology of Africa, Assuit University 2007.*
- *The the Eighth international conference on Geochemistry (Geochem 8) Alexandria (2008) 2nd International Conference for Environmental Science and Technology, Egypt, 2006.*
- *The International Conference on the Geology of Africa, Assuit University 2009.*

Publications

1- *Participation in the Eighth international conference on Geochemistry (Geochem 8) Alexandria (2008) by the paper titled:*

"Geological and Geochemical investigations of the Pan-African rocks along Wadi El-Atrash Area, North Eastern Desert, Egypt."

Thanks for giving me such previous time of yours
