

J Visa/Status Health Insurance Requirement

The Exchange Visitor Program requires that all persons in J-1 or J-2 status have health insurance that meets the requirements listed on the reverse of this form.

J-1 and J-2 exchange visitors must maintain the health insurance during the entire duration of their program. Persons who willfully fail to maintain coverage are subject to termination from the J exchange visitor program.

J-1 Scholar Researcher/Professors who are paid by the University of Mississippi and are full-time employees for periods longer than four months are eligible for health insurance through the University of Mississippi with Blue Cross/Blue Shield of Mississippi. The Blue Cross/Blue Shield of Mississippi health insurance offered through the University of Mississippi **does not meet** the minimum requirements listed by the Department of State for medical benefits and does not offer coverage for repatriation and medical evacuation so scholars will need to purchase another health insurance policy for themselves and their J-2 dependents.

The international health insurance offered through the Office of International Programs for students and scholars exceeds all minimum requirements listed by the Department of State.

By signing below, I acknowledge that I am aware of and will comply with the Department of State requirements for insurance coverage.

 - (3) Expenses associated with the medical evacuation of the exchange visitor to his or her home country in the amount of \$10,000; (\$50,000 effective 5/15/15) and
 - (4) A deductible not to exceed \$500 per accident or illness.
- (b) An insurance policy secured to fulfill the requirements of this section:
- (1) May require a waiting period for pre-existing conditions which is reasonable as determined by current industry standards;
 - (2) May include provision for co-insurance under the terms of which the exchange visitor may be required to pay up to 25% of the covered benefits per accident or illness; and
 - (3) Shall not unreasonably exclude coverage for perils inherent to the activities of the exchange program in which the exchange visitor participates.
- (c) Any policy, plan, or contract secured to fill the above requirements must, at a minimum, be:
- (1) Underwritten by an insurance corporation having an A.M. Best rating of "A-" or above, an Insurance Solvency International, Ltd. (ISI) rating of "A-i" or above, a Standard & Poor's Claims-paying Ability rating of "A-" or above, a Weiss Research, Inc. rating of B+ or above, or such other rating as the Department of State may from time to time specify; or
 - (2) Backed by the full faith and credit of the government of the exchange visitor's home country; or

- (d) Federal, state or local government agencies, state colleges and universities, and public community colleges may, if permitted by law, self-insure any or all of the above-required insurance coverage.
- (e) At the request of a non-governmental sponsor of an exchange visitor program, and upon a showing that such sponsor has funds readily available and under its control sufficient to meet the requirements of this section, the Department of State may permit the sponsor to self-insure or to accept full financial responsibility for such requirements.
- (f) The Department of State, in its sole discretion, may condition its approval of self-insurance or the acceptance of full financial responsibility by the non-governmental sponsor by requiring such sponsor to secure a payment bond in favor of the Department of State guaranteeing the sponsor's obligations hereunder.
- (g) An accompanying spouse or dependent of an exchange visitor is required to be covered by insurance in the amounts set forth in paragraph (a) of this section. Sponsors shall inform exchange visitors of this requirement, in writing, in advance of the exchange visitor's arrival in the United States.
- (h) An exchange visitor who willfully fails to maintain the insurance coverage set forth above while a participant in an exchange visitor program or who makes a material misrepresentation to the sponsor concerning such coverage shall be deemed to be in violation of these regulations and shall be subject to termination as a participant.
- (i) A sponsor shall terminate an exchange visitor's participation in its program if the sponsor determines that the exchange visitor or any accompanying spouse or dependent willfully fails to remain in compliance with this section.
