Birthday Rules and Regulations

Reservations: Reservations must be made at least two weeks in advance by contacting the birthday party department at (305) 233-8389 x223.

Final Guest Count: Your final guest count must be emailed to the birthday department two Fridays prior to your party date. *Should the final guest count list not be turned in two Fridays prior to the event date, the event will be rescheduled depending on availability.*

Your final count should include **ALL** children and adults, including birthday child and birthday child's parents. (Annual Passes/Membership does not apply.) All guest names must be typed/written on the final guests list template separately and marked with an "X" specifying their age group. Any guests not included in the final guest count will be documented upon their arrival. Providing an accurate guest count will help staff to properly coordinate your party needs prior to your event.

Guest Check-In: Based on your final guest list your guests will be checked in accordingly at the birthday party check-in table by the large inflatable birthday cake at the main zoo entrance. Each guest checked in will be wrist-banded and given a map directing him or her to the party location. Check-in for 10 a.m. parties is from 9:30 a.m. - 11 a.m. and 9:30 a.m. - 2 p.m. for 1 p.m. parties.

Payment and Cancellation Policy: A \$220 non-refundable deposit is required to secure your party location once the date has been approved and reserved. The deposit is non-refundable; however, you will have the option of rescheduling your party one time to another date with 72 hours notice. Payment of your birthday package includes zoo entrance, food, beverages, party favors, and party host. The final balance is due when your final guest count is given **two Fridays** prior to your party date. There are no refunds for guests included in the final guest list who do not attend. Payment can be made by credit card (Visa, MC, Discover, and AMEX) or cash. Any party additions (guests, food, or activities) must be paid with your final balance. Any additions the day of your party will be billed to the credit card on file the day of your party. If the catering department needs to employ legal services to recover negligent billing amounts, the cost of these services, 15% interest, and any other applicable collection fees will be added to the total amount due. **Our Birthdays are rain or shine!**

Decorations and Exclusions: Decorations are purposely kept at a minimum for your party. Zoo Miami's environment provides a wonderful educational and interactive atmosphere. Due to the sensitivity of our animal collection, **NO** balloons, confetti, glitter, no balls, bicycles, coolers, domestic animals (i.e., pets), alcoholic beverages, lawn chairs, lids, straws, roller blades, scooters, skates, or skateboards are allowed inside the zoo. Outside decorations are not permitted in the zoo without prior approval from Zoo Miami. If you would like to provide outside decorations, you must drop them off **five days** prior to your birthday party and an additional set-up cost will be billed to your invoice.

Piñata Service: Please note the Piñata is a rental item and it is not for sale. Therefore it may not be removed from the party location. The fee includes the Piñata service, candy and assorted novelty toys not the actual Piñata.

Time: Parties run for two hours. Parties will start promptly at the scheduled time and will not be extended due to guests arriving late to the party.
