Principal's Report

National Literacy and Numeracy Week

Thanks to all of the parents and carers that visited our Open Morning to view the great literacy and numeracy activities that take place at Lucknow PS. We are very proud of the work that we have done as a school to evolve the programs that we have and continue to make them more effective. Our Spelling and Maths programs have been a particular focus this year and we have seen an immediate effect in student achievement and confidence. I hope all those that visited enjoyed their morning.

eSmart Update

This year Lucknow Primary School is beginning to work toward eSmart accreditation. eSmart is a framework that guides the introduction of policies, practices and whole-school change processes to support the creation of a cybersafe or eSmart environment.

eSmart is a series of cultural change interventions developed by The Alannah and Madeline Foundation, aimed at creating positive, respectful and inclusive cultures which reduce bullying and cyberbullying and increase online safety.

As part of the process an updated Acceptable Use of Digital Technologies Policy has been developed for Lucknow PS. This also includes a student agreement and family information. This will go out to senior students shortly and the remainder of the school ready for the beginning of 2015.

We are also hosting Leading Senior Constable Toni Redshaw, who is the Youth Resource Officer based at Bairnsdale Police. She will be providing an information session for each of the middle and senior school classes around staying safe online.

Prep Enrolments 2015

If your child is starting school next year please submit an enrolment form as soon as possible to enable us to plan for next year. Thank-you

Jane Lloyd – Junior Coordinator

SunSmart

Please note that the Lucknow Primary School Sunsmart Policy takes effect at **the beginning of September** continuing to the end of April. All students will be required to wear broad brimmed hats whenever outside beginning **NEXT WEEK!**

ICAS Certificates

The following students will get their ICAS certificates for writing at this week's assembly; Phoebe Long, Tiahn Van Hoorn, Jack Burton, Sophie Alexander, Brodee di Palma, Zoey Van Est, Max Van Est, Ankit Arun Aswath, Jordan Johnston and Milly Mahon.

T.O.M by Zoey VanEst

After all the painting and polishing up our act we were finally in Churchill, and were ready for almost anything they could throw at us.

We were, Zoey Van Est grade 5, Caitlin Kronk 5, Ashlee Karranikis 6, Mitchel Davis 5, Jack Burton 5 and Tiahn Van Hoorn 6 and we were called the 'Techno Talkin' Time Travellers' Language/Literature Lucknow team 2.

So as I said we had arrived at Churchill and met up with Mrs Bambrook to move all our GIANT brightly coloured props inside, they were very heavy and I couldn't see with it hanging over my head, I could barely get up the stairs!

We waited in a large room near the entrance until it was time to go and watch the performance of Lucknow's Social Sciences team Chloe Long grade 5, Cohen Baylis 5, James West 6, Alex Nancarrow 5, Gemma Watt 6 and Austin Toms 5. The team before Lucknow was good but they didn't get us much laughs as Lucknow did.

And finally, after a lunch and toilet break we were on....the table squeaked really loud when we dragged it on but apart from that we did well. After that I was worried we wouldn't win but once we'd done our spontaneous problem, I was sure that would be the thing to save us.

I didn't stay till the results so I was hanging out for a phone call and when I heard the phone ring I was right on.....WE WON! But unfortunately the Social Sciences team didn't make it. The Language and Literature team will be heading to Latrobe University in Bundoora Melbourne to compete at state level on the 14th of September! Wow!

But in the end we all had fun and it was a great experience.

Parents whose children were in the program this term but will not be involved in the program next term are asked to return the form below by Friday the 5th of September so lists of children attending the program can be finalised.

If you are interested in your child/ren joining the program next term please fill in the form below and return to school by Friday the 5th of September. Children will be placed on a waiting list as the program is full at present.

The Active After School Program will start on Monday the 6th of October, which is the first week of term 4, and will run every Monday and Wednesday for 7 weeks. The last day of the program for term 4 will be Wednesday the 19th of November.

Groups 7 and 8 Swimming Timetable

Groups 7 and 8 consisting of SPN, SMH, SGD and SMP begin their swimming program on Friday the 29th of August. The last day of their 10 session extensive program will be Friday the 19th of September. The following is a detailed timetable of dates and times that children in groups 7 and 8 will be going swimming. Children will need to bring their bathers, towel and goggles in a separate bag that they can take to the pool and they will also be required to bring a plastic bag for the wet bathers and towel when the swimming lesson has finished. Children with long hair will be required to tie their hair up when swimming. Prior to each swimming lesson children will be required to have a quick shower, for health reasons, and children will also shower after their lesson.
