

Golf the Last Frontier at the scenic Anchorage Golf Course. Enjoy a great round of golf amidst scenic vistas and wildlife while supporting academic excellence and raising scholarship funds for students throughout Alaska.

ABOUT THE GCI ALASKA ACADEMIC DECATHLON

We are chartered members of the US Academic Decathlon, the nation's premier academic competition program. Our goal? Encourage high school students to achieve higher academic standards. Our program includes all academic areas of study. Teams are formed of three each A, B and C students. Schools from across the state participate. The winning team represents Alaska at the national competition.

The GCI Alaska Academic Decathlon is operated by volunteers. The GCI Scramble for Scholars benefits high school students by funding the annual state championship, sending the winning team to the national competition, and providing college scholarships to the top three individual students in each of the Honor, Scholastic and Varsity categories. High school students from across Alaska have enjoyed the benefits and rewards of participating in the Alaska Academic Decathlon since 1985.

FORMAT & RULES

- All four players tee-off. The best shot is selected; remaining balls are advanced to where the best ball came to rest. After selecting the best ball, all players may lift, clean and place their ball within one club length of the best ball, remaining the same distance from the hole.
- Each player hits their second shot. Players select the ball they wish to use. Process is repeated until a ball is holed.
- If player one holes the putt, there is no need for the other players to try.
- You must use two tee shots from every player during the 18 holes.
- The winning team will be determined by the lowest team score.
