WHAT HOLSTEIN CAN DO FOR YOU

By: Steve Peterson, Tri-Captain/Regional Rep.
 Holstein Association – USA

If you are really into shows and sales and enjoy socializing with other dairy producers, August and September were great months for you.

In August at the Minnesota State Fair the first Midwest National Holstein Show was held. It was a great show for registered Holstein breeders in the Upper Midwest. Two hundred and twenty-five head were exhibited from Minnesota, Wisconsin, South Dakota, Iowa and Kansas. A great young cow from Wisconsin won the show.

In September Randy Asprey and family of Havencrest Holsteins and Tracy Schaefer and Karla Smieja of Starlight Acres hosted the Minnesota Holstein Field Day. This was an excellent opportunity for Holstein enthusiasts to fine tune their judging skills while they tried to match placings with Perry Phend, official judge for the three judging classes. Perry will be the official judge at this years World Dairy Expo Holstein show. The field day was capped off with a very successful sale. The Harvest of Havencrest sale had a \$25,700 sale topper and a \$3,751 average on 86 lots.

These are excellent examples of what the Holstein Association can do for you. However, I would like to give you five more examples of how Holstein has done an excellent job of making life on the dairy farm a more enjoyable and profitable experience. The day prior to the Midwest National Show at this years Minnesota State Fair I had the opportunity to have John Meyer, the CEO of Holstein Association USA accompany me to five of the most successful dairy farms in Minnesota. If you would like to know more about "What Holstein Can Do for You", contact these dairymen. They would enjoy sharing their experiences with you.

Following are the comments they made when asked, what has Holstein done for you?

Wirtland-Maple Leaf Farms

Russ, J. Duane, Dennis and Doug Wirt
 Lewiston, MN Phone: 507-523-3723
 700 Registered Holsteins Herd Average: 25,800

Holstein has an excellent Tag ID system. It has really worked well for us as a management tool. Genetic

John Meyer, (left) J. Duane Wirt and Russell Wirt

measurement systems such as type classification and production information have been valuable for us. Cattle marketing with Holstein personnel is a valuable tool for the members.

Hendel Farms

Carl, Matt & Pam Hendel
 Caledonia, MN Phone: 507-724-5689
 630 Registered Holsteins Herd Average: 28,500

Our involvement with Holstein has allowed us to not just sell milk but also replacements. This past year one cow has grossed over \$100,000 through the sales of male and female offspring as well as embryos. We do a better job of sire selection with the use of the Redbook Plus sire selection program. This program makes it easier to find bulls to use in our breeding program.

By attending Holstein social functions we have met other dairy farmers and industry personnel that have given us information we can use on our dairy.

Classification has been essential in our marketing program. Classification is a breed standard because it can compare cows across the country. It helps you identify valuable cows on which to concentrate your marketing efforts.

By meeting certain criteria on Tri-Star (Holstein's record-management program) we have been given free promotions on the Internet and in breed publications.

Tag ID is super valuable—it gives quick, accurate ID.

Last but not least, employee involvement and pride increases when working with better cows. Our employees see that we are excited about our cows and this creates more interest from them. One of our employees Josh Vatland has seen the profitability of Registered Holsteins and has become excited about investing in them. This type of employee involvement is invaluable.

Macland Holsteins

Jim McFarland, Bill & Kathy McFarland,
 Scott & Tina Culbertson
 Elgin, MN Phone: 507-876-2662
 90 Registered Holsteins Herd Average: 27,000

Through the use of Holstein programs we have been able to stay at a small manageable size. We have done this by merchandising good type cows that last. We have never had a problem selling cows. Buyers like to see our accurate and complete record system that uses Holstein's classification and production programs.

SheeKnoll Farms

Jim & Mary Sheehan, Steve & Ben Sheehan, Jerome & Karen Sheehan; Robert & Jeannette Sheehan
 Rochester, MN Phone: 507-289-4251
 600 Registered Holsteins
 Herd Average: Tie Stall 28,000 Free Stall 24,000

Proper identification with Holstein Tags has given us access to information on our animals. Holstein's EASY computer identification program has made the identification process easy. We like the EASY program.

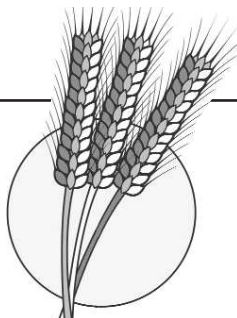

Krista Sheehan, (left) Jeanette Sheehan, Robert Sheehan, Jim Sheehan and John Meyer

We enjoy the type classification program. It gives us an evaluation of our herd from someone else. We use this information for marketing and merchandising. We also use Holstein pedigrees to show the genetic potential of our herd.

Deer-Brook Farms, Inc.

Arne & Adeline Agrimson, Steve & Lanita Agrimson
 Peterson, MN Phone: 507-875-2715
 400 Registered Holsteins Herd Average: 26,600

Recordkeeping on genetics and Tag ID have helped us do a better job of striving for better genetics. The type classification program has helped us strive for high type scores which help us to breed a better cow that's more profitable with higher production and more longevity.

FALL HARVEST SALE

Saturday, November 19th, 2005 - 11:00 am ~ McLeod County Fairgrounds, Hutchinson, MN

Kandi Klassic

It's a Classic!

By: Jill Eichler - MHA Staff

The annual Kandi Klassic started promptly at 8:00 p.m. on Thursday, September 22, 2005 despite the competing sounds coming from the race that was also held that evening at the Kandiyohi County Fairground in Willmar. The Kandiyohi Holstein Club served a pre-sale meal of brats, bean, chips and an array of sweet treats. The American Dairy Association-Kandiyohi County donated milk for the occasion. The Little Crow 4-H Club sold refreshments during and after the sale.

The Kandiyohi Holstein Association has been hosting the Kandi Klassic since 1983. Since that time the sale has always been held at the Kandiyohi Fairgrounds and has been chaired by the same dedicated farm family. Ardell Johnson, Kerkhoven, Dellka

Farms, chaired the sale for many years and then passed the reigns over to son Lane Johnson.

The sale staff included several committed dairy enthusiasts. Heather Thyen, Empty-Pocket Holsteins, was in charge of the cattle preparation and care. She had assistance from several students enrolled in the dairy program at Ridgewater Community College in Willmar. Normen and Doris Peterson, Pete's Auction & Photo prepared the sale catalog, auctioneered and clerked the sale. Jill Schluelter, Kandiyohi-HA Club Secretary assisted in the clerking of the sale. Steve Peterson, Holstein Association-USA read pedigrees. Russ Thyen - Empty-Pockets Holstein, Reid Stransky -

Stranshome Holsteins and Mike Eichler - Eichlers Cattle & Seed were selectors and served as ringmen the evening of the sale.

Fifty-five animals sold averaging \$2,128. The top seller was Jim Jamdl Nan S Storm-Red, a winter yearling bred to West Point Manix Red. She sold for \$3,700 to Ja-Knoll Dairy, Oronoco, MN. James and Jane Goeden of Wadena, prominent Red & White Holstein breeders, consigned the high seller.

James Martin of Lime Spring, Iowa consigned the second highest selling animal, JZM B-Iron Kate 143. She is a milking two-year old bred to Royleane Jordan- ET and due in January. Randy Asprey, Dodge Center was the buyer at \$3500.

University of Minnesota Places Third in National Intercollegiate Dairy Cattle Judging Contest

Third place team in the national collegiate dairy cattle judging contest from the University of Minnesota: Front row (l. to r.) – Jonnie Schefers, Paynesville; and Nathan Schwab, Gibbon. Back row (l. to r.) – Dr. Les Hansen, coach; Katy Drinkall, Rushford; Tracy Nelson, Winthrop; Alicia Thurk, Plainview, coach; and Tara Sammon, Rochester; coach. Missing from photo: Scott Ellinghuysen, Altura, coach.

Dates to remember:

November 1	Calendar Ads Due
November 1	December Publications Deadline
November 5	Grand National Junior Holstein Show, Louisville, KY
November 7	Mid-East Fall National Show, Louisville, KY
Nov 11-12	Royal Winter Fair, Toronto, Canada
November 19	MN Fall Harvest Sale, Hutchinson
December 1	1st Futurity Payment Due – XXXI
December 6-7	Midwest Dairy Expo, St. Cloud Civic Center
March 2-4	MHA Adult Convention, Owatonna
March 24-25	MJHA Junior Convention, Rochester

The University of Minnesota placed 3rd overall among 23 teams in the national intercollegiate dairy cattle judging contest, which was held on October 3 at World Dairy Expo, Madison, WI. The Minnesota team also placed 2nd in Brown Swiss, 4th in Guernsey, 5th in Milking Shorthorn, and 2nd in Linear Evaluation. For the fifth consecutive year, the University of Minnesota has placed among the top four teams in the national contest.

Team members were Jonnie Schefers, Paynesville; Tracy Nelson, Winthrop; Nathan Schwab, Gibbon; and Katy Drinkall, Rushford. Schefers was 11th overall and 1st in Red & White. Nelson placed 14th overall, 7th in Jersey, and 9th in Brown Swiss. Schwab was 18th overall, 1st in Linear Evaluation, and 10th in Brown Swiss, and Drinkall was 5th in Jersey.

All four contestants are in their senior year at the University of Minnesota. Coaches for the University of Minnesota dairy cattle judging teams are three alumni – Scott Ellinghuysen, Altura; Tara Sammon, Rochester; Alicia Thurk, Plainview – as well as Dr. Les Hansen.

District News

District V

The District V Show was held on August 12th at 9 a.m. in Waconia at the Carver County Fairgrounds. Judge Steve Searles placed 53 heifers and 56 cows for a total of 109 head. Senior and Grand Champion went to the first place aged cow MS Do-N-Joy Encor Onasis-ET owned by Tony Kohls. She was praised for her long neck, uphill run, large frame, youthful udder and a solid set of feet and legs. Intermediate and Reserve Grand Champion went to the first place senior three-year-old Miss Flower Kite Tempest exhibited by Andy and Jodene Stuewe who was commended on her beautiful frame as she exhibited an uphill run and was a long-bodied individual.

Reserve Senior Champion went to the first place five-year-old Elginisle Raider Rosa exhibited by Dale and Mavis Schmidt. Rosa was praised for her beautiful rear udder and quality set of feet and legs. Reserve Intermediate Champion went to the first place junior

three-year-old, Stuewes Daria-ET exhibited by Chet Stuewe. Daria was praised for her beautiful udder and style and balance yet she wasn't as nice in the set to her legs.

Junior Champion went to the winning fall yearling Stuewes Precious Princess exhibited by Chet Stuewe. Princess had more maturity and growth, possessed a deep open rib and a wide, flat rump. She placed over the Reserve Junior Champion Do-N-Joy of Anastasia Askss the first place summer yearling owned by Tony Kohls and Leah Belter on her maturity. The summer yearling was described as nearly faultless particularly in the set to her legs.

District IV

The District IV Show was held Monday August 15th at the Slayton County Fairgrounds in Slayton. Judge Loren Olson placed 24 heifers and 11 cows for a total of 35 head. Grand Champion was the senior three-year-old Z-Happy Journalist 998 exhibited by Ashley Zeinstra. She was praised for having the best udder of the show, being clean-cut and well-balanced. She placed over the Reserve Grand Champion, Schley-View Atley Andi, who was a clean-cut individual in her own right with a solid udder but lacked the strength of loin and didn't have as short of teats as the senior three-year-old. Andi was also the first place five-year-old and owned and exhibited by Brands-Haven. Junior Champion was the winter yearling Z-Happy Finley 1470 exhibited by Ashley Zeinstra. She was the most

District II

The District II Holstein Show was held on August 20 at 6:30 p.m. at the Steele County Fairgrounds in Owatonna. Judge Steve Searles placed 57 heifers and 47 cows for a total of 104 head. Grand and Intermediate Champion honors went to the winning senior three-year-old Ban-View Marshall Annie-ET owned by Tom Schaefer. She was praised for her bloom of mammary system and high wide rear udder which placed her over the Reserve Grand Champion Davidsons Outside Medora, the winning four-year-old exhibited by Holmacres Holsteins. Medora, also named Senior Champion was praised for her beautiful open frame and quality mammary system.

Reserve Senior Champion went to the first place five-year-old, Vonny Durham Jaguar exhibited by the Von Ruden Family. She was commended for her beautiful udder but lacked the frame and uphill run of the Senior Champion. Reserve Intermediate Champion went to the first place junior two-year-old, Holmacres Limitless Rudy exhibited by Holmacres Holsteins. She followed the type of the Intermediate Champion in having a beautiful, youthful mammary system but wasn't as correct in the set to her hock.

Junior Champion handily went to the first place winter yearling, Tande Durham Dazzleberry exhibited by Larry and Rhys Tande. She was a logical winner in her class as she displayed the most maturity, depth of rib and possessed the most style and balance of any heifer in the show. Following the pattern for Reserve Junior Champion was the first place winter calf Giefer Hi Metro Annika exhibited by Jimmy Speer and Mallory Schley. She was praised for being a stylish individual who was clean in her hock.

Premier Breeder and Exhibitor Banners were awarded to Tande Holsteins of Owatonna.

Minnesota State Red and White Dairy Show

By: Jennifer Dingbaum, MHA Staff

The Minnesota Red and White Holstein Show was held August 12, 2005 in Willmar at the Kandiyohi County Fairgrounds at 1 p.m. Judge Tom Foss placed 1 bull, 28 heifers and 16 cows for a total of 45 head.

Senior and Grand Champion of the State Red and White Show went to TJ Pollema Mr. Bea Queen-Red, winner of the five-year-old class. Queen was also named best udder and best bred and owned of the show. Queen is owned by Todd Pollema, Little Falls. Reserve Grand Champion honors were awarded to Intrigue Rubens May-Red, winner of the senior two-year-old class. May was also reserve bred and owned and Grand Champion of the Junior Show. May is owned by Gene Schmidt of Intrigue Farms, Cosmos.

Junior Champion went to the winning winter yearling, Crestbrooke CD Lolah-Red-ET owned and exhibited by Hannah, Walker, Wesley and Sarah Asprey, Dodge Center. Reserve Junior Champion was awarded to J&O K-Vue Talent Alana-Red-ET, the winning winter calf. Alana is owned by Oat-Hill Dairy. Winning Junior Champion of the Junior Show was Bontz-Vic Carasul-Red. Carasul was the winning senior yearling and is owned by Gene Schmidt of Intrigue Farms, Cosmos.

Minnesota State Fair 4-H Dairy Show

By: Sarah Day, MHA Intern

Grand Champion, first place three-year-old, Vonburg Maroon Nina owned by Brittany Albrecht, McLeod County.

Junior Champion, first place fall calf, Kerncrest Roy Vanilla owned by Jimmy Speer, Dodge County.

The 4-H Dairy Show was held on August 27 at 9 a.m. at the Minnesota State Fairgrounds in St. Paul. Judge Dan Carroll placed 104 heifers and 47 cows for a total of 151 head. For Junior and Reserve Junior Champion, Judge Carroll chose the winning fall calf, Kerncrest Roy Vanilla owned by Jimmy Speer and winter yearling Melarry Hi Metro Beauty owned by Brook Hackett respectively. The fall calf was complimented on her style, straightness of lines being harder over the loin and quality of feet and legs while the winter yearling was praised for her depth and openness of rib. For Grand and Reserve Grand Champion the first place three-year-old, Vonburg Maroon Nina owned by Brittany Albrecht and first place aged cow, Vonny Durham Jaguar owned by Zachary VonRuden were chosen. The three-year-old was commended for being an extremely balanced individual with lots of style and bloom, capacity and youthfulness to her mammary system.

State Fair Open Show Gains National Status!

By: Jill Eichler, MHA Staff

The 2005 Midwest National Fall Holstein Show was held Wednesday, August 31, 2005 at the Minnesota State Fair Coliseum. This particular show will forever hold special meaning, as the Minnesota State Fair Open Holstein Show has accomplished the feat of becoming a National Show. Holstein USA recognized the Minnesota State Fair Open Show to qualify for National Show Status. The show had to meet the following standards: "A minimum of 125 head must be shown, with a minimum of 4 states or provinces participating and the use of ultra-sounding for ethical purpose," stated Larry Tande, Medford. Larry is the Dairy Superintendent of the Minnesota State Fair.

The Minnesota State Fair and the Minnesota Holstein Association honored the long-time state fair exhibitor and MHA member, Karl Mueller, Arlington. Karl has exhibited at the

Minnesota State Fair for a consecutive 68 years. He has shown Red Poll cattle, purebred hogs and an array of fowl. However, Karl is best known for his showing and breeding of registered Holsteins.

The conclusion of the Midwest National Fall Holstein Show proved itself worthy. Hank Van Exel, Lodi, California named Traisers Leduc Rachele-TW Grand Champion of the Show, she was also Intermediate Champion and first place and best udder in her class of senior three-year-olds. Traisers Leduc Rachele is sired by Lystel Leduc-ET and owned by Eddie Bue, Joel Keitzman and Scott Culbertson, Alma Center, Wisconsin. Reserve Intermediate Champion was awarded to VanDyk-K Integ Paradise2-ETN, owned by Mark Rueth, Rosedale Farms Oxford, Wisconsin.

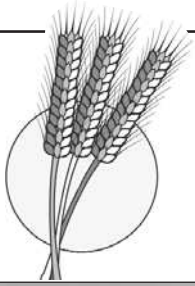

The Reserve Grand Champion & Senior Champion honor was awarded

Left to Right: National Holstein Director John Bierbaum and MN State Fair Dairy Superintendent Larry Tande, Princess Kay Finalist Lana Olson, Holstein USA Executive Secretary John Meyer, Grand Champion Traisers Leduc Rachele-TW owned and exhibited by Eddie Bue, Joel Keitzman and Scott Culbertson, Reserve Grand Champion Cobequid Spumantes Beaute owned and exhibited by Hogge and Dymont, Princess Kay Finalist Mandi Goplen and Judge Hank Van Exel. ~Photo Courtesy of Holstein World

to Cobequid Spumantes Beaute, sired by Coequid Spud and owned by Hogge and Dymont, Rudolph, Wisconsin.

Honorable Mention of the show & Reserve Senior Champion went to Indianhead Kite Brienne, owned by

FALL HARVEST SALE

Saturday, November 19th, 2005 - 11:00 am ~ McLeod County Fairgrounds, Hutchinson, MN

CATALOGS AVAILABLE AT:
SALE MANAGED BY:
Minnesota Holstein Association
411 28th Avenue South
Waite Park, MN 56387-1088
320-259-0637 ~ Fax 320-259-0009
email: jdingbaum@mnholstein.com

Olmar Rudolph Dazzleer EX-91
4-01 2x 302 27,540 3.8 1044 2.8 764
Selling is Dazzleer's Durham springer. She carries a valuable service to O-man and is due in December. Dazzleer is currently making her third record over 1000 fat. The next dam is Dazzling Star EX-94 4E GMD. She has 221,570 3.6 8069 lifetime and is followed by four more VG or EX GMD. Index and showtype in one package!
~Olmar Farms

Pine-Shelter Lariat-ET VG-88 @ 2-07
2-01 3x 365 35,250 3.7 1298 2.9 1037
Potential moneymaker here - the Fargo family has sold around the world with high selling offspring! This fancy Machoman daughter represents the "next" generation of contract cows. The #1 family in the U.S. for type - look no further than this high-ranking heifer out of Lariat pictured above!
~Pine-Shelter Farms

DeBoer BW Marshall Snow Cap VG-87
2-00 2x 365 38,730 4.0 1548 3.2 1235
#2 PTPI Dundee in the U.S., with brothers in A.I. This early indexing Dundee from the same family that produced Snow Cap pictured above will excite anyone! The "Snow" family has numerous national production records and with Dundee as a sire, it doesn't get anymore exciting than this lot.
~Brad DeBoer

Hartford Bellwood Jean VG-88
5-02 2x 365 34,900 3.6 1270 3.5 1236
Built in the Champion Fashion, this stretchy young cow has a fabulous rear udder and future in front of her. An A.I. contracted family, this granddaughter of Harford Bellwood Jean pictured above is a dairy machine made for everyone!
~Lexy-Lane Holsteins

Other Highlights . . .

- Two super cows from Bernadotte
- A 2-year-old with over 23,000 from a dam with 5-01 2x 327 27,040 3.8 1031 3.1 831. Next dam VG-85 with over 140,000 lifetime she sells fresh!
- A "Durham" from a VG-85 "Adler" with over 170,000 lifetime and records to over 29,000 milk and 1100 fat. She sells fresh!
- Durham that completes 8 generations VG and EX. Big, tall and fancy this Durham is VG-85 as a 2-year-old. Her dam by Cigar is EX-91, next dam VG-85 by Charles and third dam EX-91 2E by Starbuck. The fourth dam EX-93-4E Concord with 250,600 4.2 10,518 lifetime, and the next dam is an EX-90 4E DOM Sexation with over 174,000 lifetime. Next dam is VG-88 DOM and next dam is an EX-91 Flame. Due 12/29 to Mr. Paradise.
~Jergens and Stuewe

- Merchant born 10/03 and due late January to Morty. Her dam is VG-86 and the next 6 dams are all EX: 2E91, 3E91, 3E92, 2E91, 2E90 and 4E93. The next 4 dams are all VG making her a potential 12th generation VG or EX with many of these cows over 100,000 lifetime.
~Olmar Farms
- Potential VG Astronomical sells from 3 VG dams! Dam VG-88 with 32,420M 1328F and 120,770 life-time. 2nd dam VG-87 with 27,950 131,315 lifetime. 3rd dam VG-85 with 126,000 lifetime. Don't miss this great Astronomical frame with a fancy udder from this great longevity family.
~Harmony-Corners Holsteins
- A Charles due to Durham in November. She is a big-tall dairy heifer with good udder promise. Her dam is VG by Jolt with 30,000M. Next dam over 172,000.
~Empty-Pockets Holsteins
- Ito x Emory. A VG Ito sells fresh with her second calf. Her dam is a VG-87 Emory with over 22,000M.
~Delka Farms

- September Storm x VG Red Carrier. This fancy bred heifer by September Storm is bred 4/2/05 to Advent. Her dam is VG-85 with 3-00 2x 365 24,800 4.2 1050 3.4 840.
~Goeden Dairy
- A fancy young cow by the #1 LPI sire Blitz sells due in December to Mutant-Red with her second calf. She made over 24,000 milk as a two-year-old.
~Schillview
- Fancy Trey daughter (Lee x Tob) due 10/29. She will sell fresh and is ready to go to work for you. Dam a GP Gillette Merrick. 2nd dam VG-87 9-03 33,987 1239F 952P and 164,635 lifetime and 6409F lifetime. 3rd dam over 32,000 milk and 151,000 lifetime. 4th dam over 32,000 milk and 130,000 lifetime. Don't miss this early Trey daughter from a great production family.
~Harmony-Corners Holsteins
- A fancy VG-85 Logan due in December. Dam and granddam both VG-88 and next dam back is EX-91.

Minnesota State Fair Open Class Red and White Holsteins

By: Jennifer Dingbaum, MHA Staff

The 2005 Minnesota State Fair Red and White Holstein Show was held on August 30, 2005 at the Minnesota State Fair Coliseum. Judge Michael Heath of Westminster, Maryland placed 42 heifers and 26 cows for a total of 68 head.

Grand Champion and Senior Champion titles were awarded to Lavendar Ruby Red Rose owned and exhibited by Mark Rueth, Rosedale Farms, Oxford, Wisconsin. Reserve Grand Champion and Senior Champion was claimed by Sellcrest US Mindy-Red TW owned and exhibited by Rick Frozene, Frozene Farms, Westfield, Wisconsin.

The Elmer Howe family of Hutchinson, Minnesota was awarded the Intermediate Champion title with Howe-AW Red-Mark Emily, the winning junior three-year-old. Reserve Intermediate Champion honors went to Frozenes Franchesca owned and exhibited by Rick Frozene, Frozene Farms, Westfield, Wisconsin.

Indianhead Caramel-Red the winning summer yearling claimed the Junior Champion title. Caramel is owned by Robert Schauf, Indianhead Holsteins, Barron, Wisconsin. Reserve Junior Champion Kerncrest RM Genevi-Red hailed from the great state of Minnesota and is owned by Steve and Vicki Searles, Stillmore Cattle Company, Pine Island.

The Premier Breeder and Exhibitor banners went to Gary Kramer, Kramer Holsteins of Gibbon, Minnesota.

University of Minnesota Places First in Accelerated Genetics Dairy Cattle Judging Contest

First place team in the Accelerated Genetics collegiate dairy cattle judging contest representing the University of Minnesota (l. to r.): Dr. Les Hansen, coach; Tara Sammon, Rochester, coach; Lisa Thompson, Starbuck; Brad Davis, Cokato; Luke Olson, Hutchinson; Missy Mussman, Owatonna; Alicia Thurk, Plainview, coach; and Scott Ellinghuysen, Altura, coach.

Placing first place among 11 teams, the University of Minnesota swept its closest competitor by a margin of 26 points in the collegiate dairy cattle judging contest hosted by Accelerated Genetics, September 18, at the Vernon County Fair, Viroqua, WI. The Minnesota team also placed 1st in Guernsey, 2nd in Holstein, 2nd in Jersey, 4th in Brown Swiss, and 5th in Milking Shorthorn.

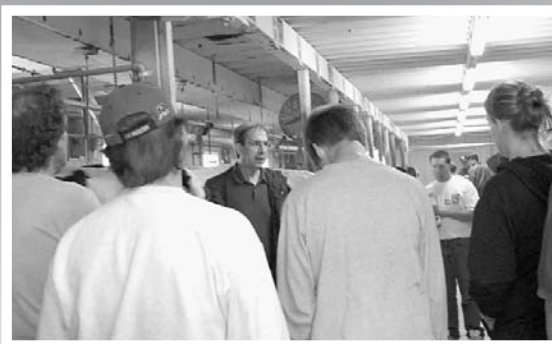

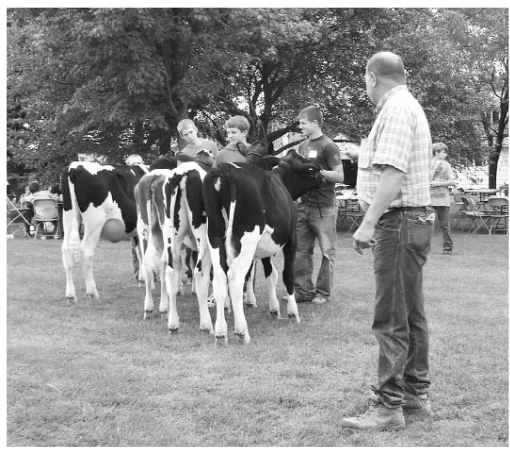

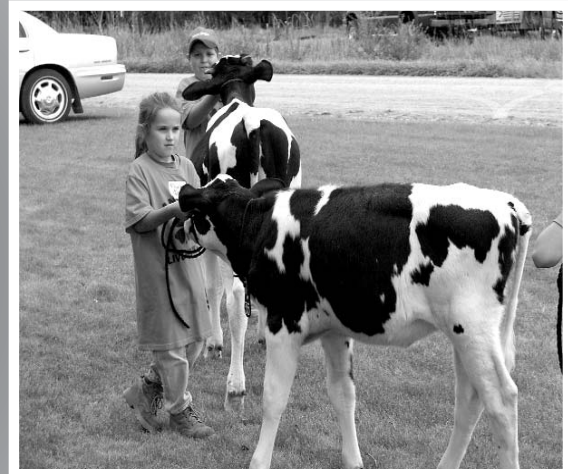

Team members were Lisa Thompson, Starbuck; Luke Olson, Hutchinson; Brad Davis, Cokato; and Missy Mussman, Owatonna. Individually, Thompson placed 3rd overall, 2nd in reasons, 1st in Milking Shorthorn, 4th in Guernsey, 9th in Brown Swiss, and 10th in Holstein. Olson was 6th overall, 1st in Guernsey, 3rd in Jersey, and 8th in Brown Swiss. Davis placed 7th overall and 4th in Jersey, and Mussman was 10th in Milking Shorthorn.

The top five teams were: 1. University of Minnesota 2. Iowa State 3. UW-Madison 4. UW-River Falls 5. UW-Platteville

Les Hansen coaches the dairy cattle judging teams for the University of Minnesota alongside three alumni: Scott Ellinghuysen, Altura; Tara Sammon, Rochester; and Alicia Thurk, Plainview.

2005 Minnesota Holstein Field Day

September 17, 2005 • Starlight Acres

The 2005 Minnesota Holstein Field Day was held on Saturday, September 17th at Starlight Acres in Little Falls. Serving as the hosts for the 2005 Field Day were Randy and Ann Asprey, Karla Smieja and Tracy Schaefer and their families. Despite patchy rain showers, Field Day welcomed 130 Holstein enthusiasts from Minnesota, Iowa and Wisconsin.

Our hosts had a full schedule planned with registration kicking off at 10:00 a.m. sharp. Following registration were educational workshops regarding the Holstein USA Tri-Star Program, presented by Steve Peterson, Holstein Association USA Regional Representative/Tri-Captain, and a conversation concerning the newly revised classification breakdowns, presented by Larry Tande, Holstein USA Director. A complimentary lunch was enjoyed at noon by all attendees.

The afternoon began with another round of workshops, allowing those participating in the morning session the opportunity to attend the alternate workshop. Also following lunch was a showmanship challenge offered to youth ages 21 and under and had great participation. Winning the extremely competi-

tive senior division was Amanda Mohr of Glencoe, Minnesota and judging the senior division was Paul Trapp of Taylor, Wisconsin and Scott Culbertson of Pine Island, Minnesota. The junior competition was judged by Sarah Schmidt of Ireton, Iowa and placing first was Corey Popp of Rice, Minnesota.

Concluding the Field Day activities was a judging contest officiated by Perry Phend of Osseo, Wisconsin. The contest was comprised of three classes: winter calves, junior two-year-olds and five-year-olds. Winning the men's division of the contest was Denny Popp of Rice, Minnesota. Mary Popp also of Rice tied with PollyAnn Bakken of Angus to win the women's division. The youth division was taken by a three way tie between Amanda Mohr of Glencoe, Brittany Albrecht of Stewart and Elizabeth Olson of Hutchinson.

Field Day was followed by the "Harvest of Havencrest" Sale hosted by the Randy Asprey family. The sale was managed by Burton-Fellers Sales, Inc and the sale staff included Ed Fellers, Dallas Burton, John Hager, Scott Culbertson, Steve Berland, Alan Dykshorn, Paul Trapp, Perry Phend, Tim Natzke, Chuck Will and Steve Peterson.

Eighty-six lots from Havencrest Holsteins and guest consignors were sold for an average of \$3,751. The high seller, Ri-Val-Re Willa-ET went for \$25,700 and was purchased by Dean and Darin Meyer of New Albin, Iowa. Willa had numerous embryo contacts with heavy A.I. interest and was the consignment of Randy Asprey and Ryan Krull of George, Iowa.

Lot #6 Crescentmead Garter Emma-ET was the second high seller at \$15,000. Emma was consigned by Randy Asprey and was purchased by John Bierbaum of Johnan Holsteins, Burnsville, Minnesota.

The sale concluded early that evening with a complimentary hog roast for all sale attendees.

A special "THANKS" to the sponsors of Minnesota Holstein Field Day: ABS Global, Inc., Accelerated Genetics, AgStar Financial Services, Alta Genetics, AMPI, Burton & Fellers Sales, Inc., Coborn's Inc., Kulus Feed Store, Minnesota Select Sires, Minnesota Beef Council, River Bend Embroidery, Semex USA, Syngenta Seeds and Wells Fargo.

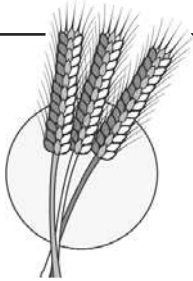

Root River Herd Disperses

After 50 years of breeding purebred Holsteins, Lowell and Barb Bakkedahl from Sargeant, Minnesota sold their entire herd of 40 cows and calves. The sale averaged \$2,580.00. Craig Helgeson from Rose Creek, Minnesota was the largest buyer for the day, taking home 14 head. Gary Heydt was the auctioneer for the day with Steve Searles reading the pedigrees. The top selling cow was a VG-87 point, 64-inch Integrity. She sold for \$8,300.00. Pictured holding the Integrity is Lowell and his nephew Kevin Heydt.

Listed below are the top five highest selling individuals

- \$8,300.00 Root-River Integrity Cat VG-87.....Buyer-Craig Helgeson & Kevin Heydt, Rose Creek, MN
- \$3,500.00 Hooterville Blitz Pam.....Buyer-Craig Helgeson & Kevin Heydt, Rose Creek, MN
- \$3,400.00 Root-River Integrity Toni EX-90.....Buyer-John Bierbaum, Burnsville, MN
- \$3,300.00 Root-River Big Boy Betsy VG-86.....Buyer-Michael Redalen, Lanesboro, MN
- \$3,300.00 Hooterville Durham Sassy.....Buyer-Craig Helgeson & Kevin Heydt, Rose Creek, MN

~Robert Jergens

We look forward to a Great Sale!

Please join us in Hutchinson on November 19th

Hello Holstein friends,

It is that time of year again when things really get busy on the farm. I hope your fall harvest has been going well. It is also time to be thinking about renewing your Minnesota Holstein membership for 2006. You will be receiving renewal notices soon and I would encourage you to send them back to the office early so that the office staff can update your membership status to National Holstein. That way you will be sure to get the full discount rate on your registrations. Also, sign up that young dairyman down the road. We need everyone's help in reaching our membership goal. This year we will be sharing a booth with National Holstein at the Midwest Dairy Expo in December at St. Cloud. Stop by the booth and let Steve and Jennifer show you how being a state and national Holstein member can benefit your dairy operation.

Have you had a chance to check out the new website www.mnholstein.com? This is something that I am really excited about. We have the talent and capabilities to make updates right at the office and will be able to use this to bring the members timely information. Be sure to check it often and give us your ideas on ways it might be improved or ways that we can use it to benefit the association. Be sure to check out the fall sale ad in this publication and I look forward to seeing you in Hutchinson for the Minnesota Fall Harvest sale.

Scott

Greetings from the Minnesota Junior Holstein Association

By: Tracy Nelson,
Past MJHA President

The Minnesota Junior Holstein Association, commonly referred to as the MJHA, is a youth organization for those youth interested in Holstein cattle and the dairy industry. Minnesota has one of the strongest and most active state junior associations in the nation as well as one of the largest with almost 400 members. Juniors can hold membership in the junior association until their 21st birthday. The MJHA is a great way to meet dairy youth from across the state. Throughout the year, the MJHA hosts several events to bring membership together, such as: Junior All-Breeds Convention, State Holstein Show, Ag Olympics, the "Youth are Great Showcase" at Spring Sale, and several local events give members the opportunity to socialize.

The biggest event of the MJHA is the Junior All-Breeds Convention, which is held each year in early spring. Youth from all breeds are invited to attend this weekend event. Friday night kicks off with a pizza party, skits and mixers. Saturday morning starts with breakfast and county role call, followed by the morning activities such as: workshops, dairy manufactur-

ing plant tours and farm tours. Saturday continues with a noon luncheon followed by the dairy bowl and speaking contests in which any junior may participate. Winners in both contests are given the opportunity to compete at the National Holstein Convention. Minnesota also sends juniors to the national convention to participate in the dairy jeopardy contest. Dairy bowl consists of four-member teams that compete against each other by answering questions about the dairy industry. Juniors are then given free time until the evening banquet.

The annual awards banquet is held Saturday night of convention highlighting the achievements of several Minnesota juniors. Each year, a keynote speaker shares some inspiration and then awards are given out. Awards include: Distinguished Junior Members, Outstanding Younger Members, scholarship winners, production winners, dairy bowl and speaking contest winners. After the banquet the juniors and chaperones socialize at the dance; which is guaranteed to be a great time for all.

Sunday morning includes breakfast, the annual business meeting, election of the new board members and door prizes for all. Junior Convention is a great time year after year. Watch upcoming Holstein and Dairy Star publications for more details on this year's convention which will be held in Rochester.

The State Junior Holstein Show is another main activity of the MJHA. This show is held in late June or early July of each year. Junior members bring their Holstein animals to compete in classes and for showmanship titles. The juniors also operate a lunch stand during state show to support their activities throughout the year. Additionally, the annual "Ag Olympics" are held at the state show, where all juniors can have fun playing games such as: the egg toss, water balloon toss and tug-of-war.

There are other benefits of being a junior Holstein member. Each year, the "Youth are Great Showcase" at the spring sale offers a discount if the animal is bought by a junior member. As a junior member, you can also compete for scholarships and other awards given out at convention. Throughout the year, we hold clipping, fitting and showmanship workshops as well.

The Minnesota Junior Holstein Association is a great way to meet other Minnesota youth interested in the dairy industry. You do not have to own Holsteins or cattle to join just have some interest in the dairy industry. A one-year membership is only \$2 and a lifetime membership is \$20. You can be a junior member until you reach your 21st birthday. So watch for upcoming information on convention and other MJHA activities throughout the year.

Top 10 Reasons to Join Minnesota Holstein Association

1. Many ways to learn and have fun with fellow Holstein breeders and dairyman.
2. Joining enables you to receive reduced rates on registering your cattle.
3. Form life-long friendships with the great diversity of people who share the same interest as you. . . love of the Holstein Cow.
4. You receive a subscription to the Minnesota Holstein News, Midwest Holstein News and the Membership Directory.
5. You are given the opportunity to promote your herd and earn money by consigning to the two annual State Sales.
6. You can participate in District and State Holstein Shows and other MHA sponsored events such as Field Day, Breeder Seminars and State Convention.
7. Joining a committee allows you to give back to the industry that gives you so much.
8. As a member, you will have voting privileges at State Convention helping to determine the future of the MHA.
9. People 21 and under have their own Junior Association and Junior Board with several activities throughout the year. Juniors participate in their own State Convention and State Holstein Show as well as Speech, Dairy Bowl and Dairy Judging Contests.
10. The Minnesota Holstein Association allows its members to grow personally and professionally in an organization that promotes individuality, charity, education and old-fashioned farm family values.
