Water Conservation Education

Program Evaluation Sheet

The OCWA Board of Directors and staff would like to thank you for participating in our Water Conservation Education Program. Please take a few moments to complete and return this evaluation as promptly as possible. Your feedback enables the program to stay current with school curriculum, guide adaptation if necessary and ultimately support the program's sustainability. Your cooperation is appreciated. We hope you enjoyed our program.

School District, School Name & Address: _____

Teacher Questionnaire / Evaluation

Please Rate the following questions as follows:

	<u>Please Circle One</u>				
	very poor	poor	OK	Good	Excellent
1. The organization of activities.....	1	2	3	4	5
2. Information given to you prior to your program.....	1	2	3	4	5
3. Material presented supports curriculum used in your school.....	1	2	3	4	5
4. Educator's knowledge of the subject matter.....	1	2	3	4	5
5. Educator's presentation of the program.....	1	2	3	4	5
6. Students' response to the presentation.....	1	2	3	4	5

Please answer the following with as much detail as possible (use separate sheet if needed):

7. Do you believe your students were engaged and understood the lessons?

8. What did you enjoy most about the program?

9. In your opinion, what activity/subject best sparked the interest of the class (what did they enjoy most)?

10. What aspect of the program was the most useful to you? Did it cover material being discussed in class?

11. Do you feel this program had a positive long-term effect on your class? Meaning, would it benefit them at home and/or their community? (Please elaborate if possible)

12. Do you have any recommendations (good, bad or indifferent) you would like to make regarding the program?

13. Was our Water Conservation Education Program what you expected? Yes / No. Please explain.

14. Is this a type of program you would like to see continued? If so, would you have this program return to your school/classroom next year?

15. On a scale of 1 to 10 (1 being a complete failure, 10 being completely satisfied), how would you rate our Water Conservation Education Program overall? If not a 10, please explain why.

16. Would you like to comment on any other subject not covered by this evaluation?
