CITY OF JORDAN  
FLOWER PLANTER/BED ADOPTION AGREEMENT

*The objective of this program is to continue with enthusiasm the commitment to beautify and protect our City Planters and Flower Beds within city limits, appearance for the enjoyment and benefit of everyone. The flower planters need regular care to clean up garbage, plant flowers, remove noxious weeds and watering. Groups and individuals who adopt these responsibilities for a particular green space will greatly enhance the appearance of our City of Jordan, thereby boosting "Home Town Pride" and encouraging visitors to our community. Those adopting an area are also encouraged to consider adopting the planters/beds throughout the year.*
