Paradyne Network Management Questionnaire

We would greatly appreciate it if you would answer the following additional questions. Your input will help us better support you and design future network management products that better meet your corporation's management needs. Thank you.

Company: _____

1. From whom did you purchase the Paradyne Network Management application(s)? _____
2. Are you reusing existing hardware to install/run this Network Management application? YES NO
3. If so, did you need to make any hardware upgrades to install the software? If so, what was upgraded (e.g., memory, disk,...)? YES NO

4. Were you already using the base Network Management Platform (i.e., HP OpenView, NetView)? If so, what version? YES _____ NO
5. Did you have or prefer a different Network Management Platform (e.g., Spectrum, Sun NetManger)? Which one(s)? YES _____ NO
6. Do you have Internet and World Wide Web access? YES NO
7. Would you prefer to be able to download software updates/patches from the Internet? YES NO
8. Would you prefer to be able to download user documentation from the Internet? YES NO
9. How many Paradyne devices will you be managing? _____
10. What types of Paradyne devices will you be managing? _____
11. Do you manage other vendors' devices (if so which)? YES _____ NO
12. Will you use the same Network Management platform to manage other vendor's devices? YES NO
13. Do you use any other 3rd-party vendor applications to assist in the management of your network? YES NO
14. If so, which other applications do you use? _____

15. Would you like to be able to manage your network from a WWW browser? YES NO
16. What future enhancements would you like to see made to the Paradyne Network Management product you purchased? (Use comment area below)
