# Event/Committee/Volunteer Participation

The W.A.C.C. relies on volunteers of all kinds to make things run smoothly. The Chamber staff is small and welcomes any help its Members are willing or able to provide! You are strongly encouraged to volunteer and become part of the Chamber team ~ the more involved you and your organization become, the more you will experience the rewards of your Membership. Not only are these events a prime opportunity to network with other area business owners, they are a key opportunity to promote your business or organization! Please note: volunteers can be business owners, employees, friends or family.

Please indicate the area(s) in which you may be interested below. The Chamber office will provide you with additional information on where your help may be needed within that area. Every effort will be made to pair you with your specific interests within a particular event.

Thank you in advance for becoming involved!
