**NOTICE OF INTENT TO CLAIM INTERVENOR COMPENSATION  
AND, IF REQUESTED (and  checked), ALJ RULING  
ON SHOWING OF SIGNIFICANT FINANCIAL HARDSHIP**

Customer (party intending to claim intervenor compensation): Californians for Renewable Energy			
Assigned Commissioner: <b>Michel Peter Florio</b>		Assigned ALJ: <b>Amy C. Yip-Kikugawa</b>	
I hereby certify that the information I have set forth in Parts I, II, III and IV of this Notice of Intent (NOI) is true to my best knowledge, information and belief. I further certify that, in conformance with the Rules of Practice and Procedure, this NOI and has been served this day upon all required persons (as set forth in the Certificate of Service attached as Attachment 1).

**PART I: PROCEDURAL ISSUES**

(To be completed by the party ("customer") intending to claim intervenor compensation)

<b>A. Status as "customer" (see Pub. Util. Code § 1802(b)): The party claims "customer" status because it (check one):</b>	<b>Applies (check)</b>
1. Category 1: Represents consumers, customers, or subscribers of any electrical, gas, telephone, telegraph, or water corporation that is subject to the jurisdiction of the Commission (§ 1802(b)(1)(A))	
2. Category 2: Is a representative who has been authorized by a "customer" (§ 1802(b)(1)(B)).	
3. Category 3: Represents a group or organization authorized pursuant to its articles of incorporation or bylaws to represent the interests of residential customers, to represent "small commercial customers" (§ 1802(h)) who receive bundled electric service from an electrical corporation (§ 1802(b)(1)(C)), or to represent another eligible group.	X

4. The party's explanation of its customer status, economic interest (if any), with any documentation (such as articles of incorporation or bylaws) that supports the party's "customer" status. Any attached documents should be identified in Part IV. CARE is authorized by its Bylaws to represent the interest of residential customers. Specifically, CARE's functions are:

- 1 To supply on a nonprofit basis both nonprofessional and professional legal assistance to planning, conservation groups, small business customers, **residential customers**, small business and residential renewable energy self suppliers, and neighborhood groups, in regards to new energy projects in the state of California.
- 2 To engage on a nonprofit basis in research and information dissemination with respect to legal rights in a healthy environment by giving legal advice, **appearing before administrative bodies**, and enforcing environmental laws through court actions
- 3 To employ legal counsel, technical experts, and associated staffing on a professional or contractual basis to carry out these purposes.

Because CARE is specifically authorized by its Bylaws to represent the interests of residential customers before administrative bodies, it clearly qualifies as a category 3 group or organization. For the preceding reasons, CARE qualifies as an authorized group in accordance with Section 1802(b). CARE's corporate documents were provided to the Commission on April 3, 2008 in the A.07-12-021 proceeding.

<b>B. Timely Filing of NOI (§ 1804(a)(1)):</b>	<b>Check</b>
1. Is the party's NOI filed within 30 days after a Prehearing Conference? Date of Prehearing Conference: March 17, 2011	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
2. Is the party's NOI filed at another time (for example, because no Prehearing Conference was held, the proceeding will take less than 30 days, the schedule did not reasonably allow parties to identify issues within the timeframe normally permitted, or new issues have emerged)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
2a. The party's description of the reasons for filing its NOI at this other time:	
2b. The party's information on the proceeding number, date, and decision number for any Commission decision, Commissioner ruling, or ALJ ruling, or other document authorizing the filing of its NOI at that other time:	

## PART II: SCOPE OF ANTICIPATED PARTICIPATION

(To be completed by the party ("customer") intending to claim intervenor compensation)

### A. Planned Participation (§ 1804(a)(2)(A)(i)):

- The party's description of the nature and extent of the party's planned participation in this proceeding (as far as it is possible to describe on the date this NOI is filed).  
CARE attended the Prehearing Conference and stated its intention to review the records PG&E has submitted. CARE sent a data request for the insurance documents relevant to the natural gas pipeline facilities owned and operated in California. CARE is also participating in a related CPUC rulemaking: R. 11-02-019.
- The party's statement of the issues on which it plans to participate. CARE will review all documents filed in this proceeding. CARE has stated its intention to concentrate its attention on the insurance that PG&E purchased for its operations to determine whether there is any possible financial contribution that could be made to the expenses for this proceeding and for the maintenance of PG&E's installed natural gas facilities.

**B. The party's itemized estimate of the compensation that the party expects to request, based on the anticipated duration of the proceeding (§ 1804(a)(2)(A)(ii)):**
