HAVE A SAFE AND HAPPY SUMMER

A Word from the Superintendent...

"Humble yourselves, therefore, under the mighty hand of God, that He may exalt you at the proper time, casting all your anxiety upon Him, because He cares for you." I Peter 5:6,7

We have once again reached the end of another exciting school year. We have experienced times of joy and times of disappointment, times of work and times of play, but through everything I hope and pray that they were times which will be remembered fondly for years to come. The students have grown one step closer to adulthood as they have now graduated to another level within their education. It will be much easier to think back and remember the parties or banquets, athletic events or field trips, dress down days or other special events or activities; but I know that the times they spent being challenged in the classroom will remain with them as well. Many times students might think that it's not necessary to do a certain homework assignment, take notes or perform other classroom tasks, but hopefully they have begun to realize that these important tasks will be vital experiences in the years which lie ahead.

Most importantly, however, I truly hope and pray that each of our students has spent this year growing closer to Jesus Christ. Even during the times when the schoolwork seemed the most difficult for them to complete, Jesus WAS there to help them. The scripture reference above tells us that if we humble ourselves, God will exalt us at the proper time, simply because He cares for us!

As we close the present school year, it is my desire to pass on to each of you a special note of appreciation. The school has grown and will continue to do so as we seek Him more and more. Live each and every day to the glory of Jesus Christ, because he does care for you very much! God bless you throughout the coming summer.

In Christ's love,

Mark W. Tress
Superintendent

Richie Monroe received "Ribbon of Excellence" for an original large acrylic painting.

Terrific Times for Tennis

After a long and hot, well fought district tournament, our lady Eagles ended the season in April with an overall record of 3 wins, 8 losses. While fruitless it may seem, their wins were anything but easy to come by! The first came at neighboring Atlantic High School where **Krissy Kent** and **Paige Ward** were down 5 - 2 in the final doubles match of the evening. With the sun nearly gone beneath the horizon, these two girls never lost focus and battled their way into a tie-breaker. Their hearts nearly sank when they thought they lost the match, but soon found that an opponent error kept them alive. With heightened determination, delivered a 10-8 tie-breaker win sealing the team's first victory of the season. Moments like this are not soon forgotten. The team, led by **Ashley Coursen**, also included **Brandi Anderson** and **Reece Ward**. This aspiring group of athletes fought hard all year, and for that, their coach couldn't be more proud! The future looks bright for these young ladies!

The guys' team has seen its fair share of losses over the years, but not this season. Proving to be their best ever, losses were definitely a thing of the past. Their season ended in April with a record high of 11 wins, 3 losses. Senior **Luke Mowry** led the team, and has for many years, been the catalyst that's kept things going. His years of hard work were finally rewarded as Luke was recently named to the **All-Area First Team** by the *Daytona News-Journal*. He finished the year with a season best of 11 wins, 3 losses. He definitely left his mark on tennis in this area. Rookie **Cameron Rowe** quickly made his way up in the ranks becoming a force to be reckoned with. **Tucker Pentz** enjoyed his best season finishing with an astonishing 12 wins, 3 losses. Other players making contributions no less important throughout the season were **Blake Houseworth, Jonah Liskovec, Joe McGinnis** (greatest win percentage on the team this season), **Thatcher Pentz**, and **Josh McFarran**. Congratulations gentlemen for a season like no other!
