Sponsorship and Exhibitor Opportunities

September 18-19, 2015

Lake Lanier Islands Resort

Buford, GA

The SMRP Georgia Chapter is proud to host the 1st Annual Southeast Asset Management Symposium (SEAMS). This is a one-and-a-half day event for maintenance, reliability and operations personnel in the southeast area to learn, grow and network in their profession. Attendees will have the opportunity to learn as practitioners and experts share best practices and innovative methods and techniques.

As part of the SMRP organization as a whole we are asking you to join us at this inaugural event. Based on the membership depth in this area of the country and the potential customer pool in the southeast that continues to grow at an alarming rate we know this will be a great opportunity for our sponsors.
