Deadline: December 1, 2014

We Need Your Help!

First, please fill out this questionnaire. It is very important we have as much information about your players to write a 500+ word preview. Please save and hit SUBMIT on the last page of the questionnaire.

We also need player photos. Please email photos and any other info you might have (Schedules, rosters etc.) to: photos@totfootball.com

1. Questionnaire: Please take the time to give us as much information as possible.

2. Roster: Please fill out the roster as completely and accurately as possible. It is very important to give us height, weight, position, returning lettermen/starters. We cannot stress enough how important it is to have all this information. It is almost impossible to write an informative and factually correct preview without it.

3. Schedule: Make sure that all information is updated with any changes noted.

4. Photos: Photographs of your players are very important to our publication, but more important to your deserving athletes. We use photos that you send in for our **Super Teams** as well. You can mail the photos to the above address or, preferably, email photos to photos@totfootball.com in jpeg format. At least 150 dpi please.

Most important to the success of our publication are sales. We have changed our sales packs for coaches and teams. I will deliver a packet to your school. Please commit to sending the forms home with the players.

I will come pick up the packet and cut your group a check for half the sales. That's it!!! That's all you have to do. We need your help!!!!

We will provide game programs from your sales. FREE!!!

If you decide to do this, please email me ASAP, and I will get you a packet!

Your help is much appreciated,

Derk Harle

Any groups that you feel may be interested in fundraising:
