The Regional Food Bank of Northeastern New York works to alleviate hunger and prevent food waste by collecting large donations of edible but unmarketable food from the food industry and distributing it to food pantries, soup kitchens and other charitable agencies feeding the hungry. The Food Bank was created in 1982. In 2008, the Food Bank distributed almost 20 million pounds of food to 1,000 member agencies in 23 counties.

Your gift will help single mothers who cannot afford their heating bills; working parents struggling with a sick child or other family crisis; and elderly people living on fixed incomes and unable to meet daily needs.

For every dollar you contribute, the Food Bank will provide \$10-\$12 worth of food to children, adults and families in need.

Thank you for your support.

*We wish you and yours a joyous
holiday season.*
