

‘MUMBAI CONSTRUCTION’

Bulletin of Builders’ Association of India, Mumbai Centre

‘MUMBAI CONSTRUCTION’ is the monthly bulletin BUILDERS’ ASSOCIATION OF INDIA, MUMBAI CENTRE. It is circulated, apart from all members (*comprising of contractors, developers, architects, consultants, etc. from Mumbai, Thane, Navi Mumbai, extended suburbs and also other parts of Maharashtra*), to Institutions, Individuals, Senior officials of Maharashtra State Government departments and undertakings (BMC, MSRDC, MIDC, CIDCO, MHADA), etc. on a complimentary basis. Complimentary copy of the bulletin is also sent to all senior BAI functionaries in Maharashtra State.

Due to its wide and varied circulation, advertising in ‘MUMBAI CONSTRUCTION’ targets the actual users of construction materials and/or machinery. The advertiser gets assured exposure to targeted customers. Since complimentary copies are sent to senior officials of the State Government departments and undertakings and they are the decision-makers for approving the list of construction machineries and materials, the products advertised in the bulletin gets acceptability.

The object being rendering service to members, the advertisement rates cover only the cost of printing and hence are extremely attractive. Advertising in the bulletin not only targets the actual users directly but also gives maximum exposure to the advertiser as each copy of the bulletin is estimated to be read by at least six persons.

The ‘Rate Card’ giving advertisement rates is enclosed.

‘Discount’ on the advertisement rates will be given depending upon the number of insertions and mode of payment. No ‘discount’ will be offered for single insertion. For single insertion advertising part has to pay in advance.
