# WEST HIGH SCHOOL NATIONAL HONOR SOCIETY INFORMATION FORM

Directions: Please complete all sections. While NHS members are expected to demonstrate a balance of scholarship, leadership, character and service, you are *not* expected to fill in all the available space on this form. The Council recognizes that membership in a large number of organizations is, in itself, no particular accomplishment.

#### **CHARACTER**

The character screening consists of two phases. In the first phase, the entire WHS Faculty will review student submissions and make membership recommendations to the NHS Faculty Council. For your information, the criteria your teachers will use to prepare their recommendations are printed below.

In the second phase, the NHS Faculty Council will examine the teacher recommendations more closely. Because strength of character distinguishes NHS from other academic organizations such as CSF, exemplary character is critical to initial and continuing membership. You may, therefore, want to make sure all relevant information comes to the Council's attention.

If you would like to provide information that pertains directly to any of the eight character criteria, please do so in the box below. You may mention, for example, exceptionally active participation in classroom discussion, consistently strong leadership in collaborative learning groups, substantial responsibilities you've voluntarily assumed in campus organizations, significant personal growth projects you've undertaken (beyond school or job requirements), or endeavors which benefited other people and for which you've received no compensation in the form of grades, awards, or financial gain.

DO NOT repeat honors or activities listed elsewhere on this form. DO NOT simply list organizations to which you belong. (The Council recognizes that membership in a large number of organizations is, in itself, no particular accomplishment.) As verification of achievement, DO obtain teacher/sponsor signatures in the margin and include phone numbers of off-campus sponsors.

Finally, please note that filling out this part of the form is optional. Leaving the box blank will in no way prejudice the Council against your candidacy. You may add an additional page if you need more space for your submission.
