

Warrior Scholar Application Form

A Warrior Scholar is a student who is successful in completing the A-G requirements for CSU/UC admissions. Warrior Scholars will be recognized with a brown and gold twisted cord they may wear during the graduation ceremony. Additionally, these students will be acknowledged in the graduation program under the Warrior Scholars as a whole, not individually.

There is a second clearance form that will be available the week of June 4th, 2012. Students will have to have verification from their teachers that they are receiving a "C" or better in their A-G classes.

In order to be considered for this honor, you will need to **print the application below (on the next page)** and fill it out. You will also have to order a transcript online for \$2 (request for Warrior Scholars) via Naviance. The application form is to be turned into the Counseling office by Monday, April 30 @3:15 pm.
