At Gaddesby Primary School we frequently photograph or video children to record and enhance their enjoyment of the curriculum. Please read the following advice issued by Leicestershire Education Authority.

“Parents and relatives of pupils should note that any photography or video film they take at school events are likely to contain images of other children whose parents will not have given permission for them to be filmed or photographed. Such images should not be circulated more widely than the family, i.e. they should just be for the family’s use. Our advice is that any manipulation or distribution of images of children could result in prosecution.”

- ☐ I am happy for my child to be photographed as described in the above contexts and am aware of my responsibilities when photographing school events.
- ☐ I consent for images / videos of my child / children being used on the School website, VLE and in local newspaper reports (E.g. Melton Times/ Leicester Mercury)
