Supervisor's phone _____

Supervisor's e-mail _____

Please type your answers to the following questions. This final report is due before final semester grades will be given. See your faculty supervisor for the due date.

1. Discuss your goals for your internship, explaining those you achieved and those you didn't.
2. Describe your daily routine, including the challenges and successes and what you learned in the process.
3. Describe your interaction with others in the organization's internship, including your supervisor.
4. What specific journalism and personal skills did you use in your internship?
5. What specific journalism and personal skills do you still need to acquire to succeed professionally?
6. Explain how your journalism classes prepared you for your internship.
7. If you were able to repeat the internship experience what would you change?
8. Evaluate your overall performance in your internship.
9. Summarize the impact of this internship on you and your future.
10. Would you recommend this internship to other students? Tell us the good, the bad, the ugly – anything you think we should know.
