Mentor [_____] Date [_____]

The Research Paper must be related to your studies in the Global Civilization Specialization. Prepare for your library and/or field research with a set of questions to be answered and a beginning understanding of the scholarship relevant to the topic of the paper. Send an outline and initial bibliography for your paper before 6 months have passed since you started Module 4.

1. Indicate the Research Paper's topic, hypothesis (if any), and potential title, if known. *attach extra sheet if needed*

[   ]

2. List periodicals, other publications, and scholars whose works are of particular relevance to this research.

[   ]

3. Describe your research methods. For example, list libraries, databases, and other information resources you will use. If doing fieldwork, indicate the language, culture, and subgroup of the people, and how the field research will be carried out.
