Nuturing Dads Fund is in honor of Frederick Tavill, MD, DPH for Nuturing Dads classes. The fund is held at the Community Foundation of Sarasota County. Endowment at the GCCFOV is "seed" funding and provides an existing opportunity for gifts such as conversion of stock in an expedient manner. The objective of the endowment fund is to use its assets entrusted to its care, to invest and manage those funds with fiduciary responsibility while maximizing return.

The Organization accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax

liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization's federal returns are generally open for examination for three years following the date filed.
