Your card gives you access to special members-only savings at many of your favorite places like your dry cleaner, mechanic, hair salon, theater, pizza place, gym, cell phone provider, department store, and hundreds of thousands of other locations. Save on things you needed to buy anyway - savings that can offset or even cover the entire cost of your annual dues! WORKING TOGETHER AND STANDING TOGETHER

FEA Responds to the Devastating Wave of Tornadoes: Statement from FEA President Andy Ford: "On behalf of the Florida Education Association, I want to express my deepest sympathy for the children, families, teachers and education support professionals affected by yesterday's horrific disaster in Moore, Oklahoma. Our thoughts and prayers go out to the survivors of the Oklahoma tornadoes and to the families and friends of those who have lost loved ones. We salute the teachers and ESPs that sacrificed their own safety to help protect the children in their care."

Testimonials

“You mean I get all this just for being a union member?”

~

“I cannot thank you enough. It is the first time we have ever done anything for our anniversary. 20 years and I have booked my first honeymoon. I know it sounds crazy but I am so excited. I also know its only for two days, but that is the most we have ever done for ourselves. thank you again.”

~

“Thank you. Today I was faced with having to replace a broken belt, water pump, tensioner and a leaky valve cover gasket. Your quick assistance helped me to save over \$100 in a car repairs. Another wonderful way that union membership benefits helps my everyday budget. Thank you, FEA!”
