Dear Sponsor:

Soccer is the number one sport in the world and the number one participation sport for children under the age of 14 in the United States. The growing interest of this sport in the U.S. has led to the establishment of many youth soccer organizations and programs. Strictly Soccer Futbol Club of St. Petersburg is one such organization.

Dedicated to offering children a quality athletic and social experience, Strictly Soccer Futbol Club has grown rapidly in a short time and currently offers traveling club teams for both Boys and Girls in Under 9 through 19 age groups. The goal of the program is to teach self-discipline and teamwork as well as build physical and mental stamina.

The league believes that all its' players must learn on and off the field, therefore, all players and parents are required to participate in fund-raisers. We believe this also establishes an understanding of a good work ethic to the players.

Unfortunately, there is a great expense involved in operating a club of this caliber. In addition to tournament fees, field maintenance, equipment, and travel costs are all included and spent from our fundraising dollars. This is where we need your help.

So that we may further expand our program, Strictly Soccer Futbol Club is now establishing sponsorships for the current year. We would like to make your sponsorship a win-win situation for everybody. Our immediate soccer family numbers over 500 potential people who would like to show their appreciation for your help.

We hope you will review the information on the back side of this page and consider sponsorship at any level. If you have any questions, please feel free to call or email Lynda Burt at (727) 423-2991 or Lburt@tampabay.rr.com.
