Any donation over £1.00 you make is worth an extra 25% to the Charity. If tax has been levied on your income at the time you earned it (and this includes payments into a pension), then the Charity can claim back the tax on your one-off or regular gift at no extra cost to yourself.

☐ I am a UK taxpayer paying at the basic or higher rate of tax. I want the Charity to treat all donations that I make from this declaration until I notify you otherwise as Gift Aid donations, and understand that this can only be done where payments are made from a personal account (not a business account).
