

COMMITMENT FORM

I understand that an audition does not guarantee me a place on the WAVPA course.

Should I be successful, I will attend all Saturday sessions as per the timetable, giving clear notice two weeks before the last Saturday of the term if I wish to cancel my membership for the following term.

I agree to listen to all members of staff and respond to instructions as required.

PARENTS/GUARDIANS

In bringing your son/daughter/ward in for audition, you confirm that he/she is available to attend all Saturday sessions as per the timetable.

Should he/she be accepted onto the WAVPA course, you undertake to ensure that he/she attends all the sessions.

WAVPA completely supports your son's/daughter's/ward's commitment to any school production and performance. We do, however, request that you inform us in advance, in writing, of any sessions he/she will be missing.

Should your son/daughter be accepted onto the WAVPA course, you consent/decline [please indicate] for any filming or photography to be used by the organisers for any media and/or marketing purposes.
