### WELCOME TO KILLARNEY SHEBANONING O.E.E.C.!

Killarney-Shebanoning Outdoor  
Environmental Education Centre

*A Natural Place for Learning*

Welcome to the Killarney – Shebanoning Outdoor Environmental Education Centre (KSOEEC)! We offer curriculum based outdoor and heritage education programming. Our programs provide opportunities for students to learn about healthy living, child and youth stewardship, community studies, aboriginal teachings, ecological and environmental studies from elementary school, through high school and beyond. The centre is based at 8 St. Paul Street in the scenic port community of Killarney on the northeastern shore of Georgian Bay. The centre is on 7 acres of private land and adjacent to 1000's of acres of wilderness containing the famous white quartzite ridges of the La Cloche Mountains. Partnerships with the municipality of Killarney and Killarney Provincial Park cap off this rich and unique educational experience.

This Pre-visit Planner package will provide you with the information to make interesting and curriculum related choices for your upcoming field trip to KSOEEC. On page two there is a list of the information that we will need to complete your booking. Once you have chosen your programs, you may send the completed form, via email, to us at [bradley.blackwell@scdsb.edu.on.ca](mailto:bradley.blackwell@scdsb.edu.on.ca). If you have any questions or need more information, please contact us.

Uniquely Killarney Programming – We have full-curriculum based programs that draw upon the unique beauty and distinctly wild nature of the Killarney area.

As most of our programs are a 1/2 day in length, you will likely need to select two programs (one for the morning and one for the afternoon). Please see brochure or website at [www.outdoored.scdsb.edu.on.ca](http://www.outdoored.scdsb.edu.on.ca) for a description of each program.

#### BUSING:

Remember, YOU are responsible book/confirm your own bus! Lockerby Transportation (705-522-2221) has provided us with the best cost, thus we are recommending using this company. To maximize your experience with us in Killarney, we feel that it would be very beneficial to plan a trip leaving your school at approximately 8:00 a.m. and return at approximately 5:00 p.m.

Busing Cost: From the City of Greater Sudbury: Day - \$350 / Overnight - \$377 (price includes all taxes)

#### PROGRAM FEES:

There will be a user fee of \$5.00 per student to help develop/maintain our Centre. Some of our programs also involve a small additional fee for park access and supply costs.
