# Flaming the Fire of Gratitude: September 26, 2015

*In gratitude*, you are invited to join us as St. Anthony High School celebrates 95 years of mission and purpose, educating minds and nurturing hearts as the only Catholic high school in Long Beach.

On this autumn evening, the Courtyard of our historic campus will be transformed into a magical setting, providing opportunity for us to honor our past and thank those who made our present success possible, as we once again make history celebrating a landmark anniversary.

- Socialize with friends in the Courtyard and under the Arbor.
- Welcome five new inductees into the St. Anthony High School Hall of Fame.
- Meet current Saints, as well as parents, faculty, staff and coaches.
- Drink and dine under the stars with dinner provided by Jay's Catering.
- Dance to the music of The Elm Street Band.

**Every five years**, St. Anthony High School inducts new members into its prestigious Hall of Fame. The names of those honored in the SAHS Hall of Fame are etched on the entrance hallway wall in the main entrance at 620 Olive Avenue.
