7 FEDERAL WITHHOLDING ELECTION FOR NON-PERIODIC DISTRIBUTIONS

No Withholding: I do NOT want federal income tax withheld. (Federal income tax will be withheld unless this box is checked.)

Withholding: I do want federal income tax withheld. Or, I want _____ % withheld.
(Minimum withholding is 10% of the taxable amount of the distribution. You may choose another percentage greater than 10%, but you may not select a dollar amount.)

A non-periodic distribution is any distribution made from an annuity contract that is not annuitized (including partial withdrawals and lump sum distributions). Distributions taken prior to an annuitization are considered to come from the earnings in the contract first. You may elect not to have federal income tax withheld from your distribution by contracting with us. A withholding election will remain in effect until revoked, which you may do at any time. If you do not make payments of estimated tax, and do not have enough tax withheld, you may be subject to penalties under the estimated tax rules. If the withholding section is left blank, or if the social security number or tax identification number is not provided, 10% of the taxable portion of the distribution will be withheld for partial withdrawals and lump sum distributions. Even if you elect not to have withholding apply, you are liable for the payment of federal income tax on the taxable portion of the distribution.

ME, OK, OR, VA and VT residents: If you choose to have federal income tax withheld, depending on the type of distribution, the laws of your state may require that state income tax be withheld.

IA residents: If you choose to have federal income tax withheld the laws of your state may require that state income tax be withheld. Please submit a dated and signed Form IA W-4P otherwise 5% of the taxable amount without exemptions will be withheld for state withholding.

KS residents: State income tax withholding is required only if federal income tax withholding is required. Federal income tax withholding is required when the withholding section is left blank, the social security number or tax identification number is not provided, or the distribution is an eligible rollover. If withholding status is not provided, state income tax will be withheld as if you were married with three allowances.

Marital Status: Single Married _____ Enter # of allowances

MA residents: If you choose to have federal income tax withheld the laws of your state may require that state income tax be withheld. You may file MA Withholding Exemption Certificate, Form M-4P, otherwise, MA withholding will be based on "0" exemptions.

You may contact us anytime to change or revoke your election. Do you want state income tax withheld? Yes No
