About the DAISY Foundation

The DAISY Foundation was established in 1999 by the family of J. Patrick Barnes who died of complications of the auto-immune disease Idiopathic Thrombocytopenia Purpura (ITP) at the age of 33. (DAISY is an acronym for diseases attacking the immune system.) During Pat's eightweek hospitalization, his family was awestruck by the care and compassion his nurses provided not only to Pat but to everyone in his family. One of the goals they set in creating a foundation in Pat's memory was to recognize extraordinary nurses everywhere who make an enormous difference in the lives of so many people by the super-human work they do every day.

What is The DAISY Award?

The DAISY Award is an international program that rewards and celebrates the extraordinary clinical skill and compassionate care given by nurses every day. Kootenai Health is proud to be a DAISY Award Partner offering recognition to our outstanding nurses throughout the year.

The DAISY Award

Nomination Form

In Recognition of our Extraordinary Nurses

DAISY Award honorees at Kootenai Health personify remarkable patient experiences. These nurses consistently demonstrate excellence through their clinical expertise and extraordinary, compassionate care. They are recognized as outstanding role models in our nursing community.

About the DAISY Foundation

DAISY Award honorees are recognized at a public ceremony in their unit and receive: a beautiful certificate, a DAISY Award pin, and a hand-carved stone sculpture entitled *A Healer's Touch*. Additionally, the unit celebrates with cinnamon rolls – a favorite of Patrick Barnes in whose memory the DAISY Award was created. The Barnes family asks that whenever and wherever nurses smell that wonderful cinnamon aroma, they stop for a moment and think about how special they are.

How to Nominate an Extraordinary Nurse

Patients, visitors, nurses, physicians, and employees may nominate a deserving nurse by filling out this form and submitting it to Kootenai Health's Nursing Administration office. An electronic version for hospital employees is available on the Kloud.
