Vehicle Emissions Inspection Program

**Certified Emissions
Repair Facilities
(CERFs)**

Listed by County and ZIP Code

- ✓ CERFs are vehicle repair businesses that employ skilled Master Certified Emissions Technicians, who have earned the highest national recognition for expertise in emissions repairs.

- ✓ Motorists should consider that specialized training and experience may be necessary to perform effective emissions repairs, but *motorists are not required* to take failed vehicles to a CERF for repair.

- ✓ All CERFs are equipped with the diagnostic equipment needed to repair vehicles that fail the On Board Diagnostics (OBD) Test. CERFs also equipped to repair vehicles that fail the Idle Test are identified with the ❖ symbol.

- ✓ Some CERFs may limit repairs to specific vehicle manufacturers or models.
