HAPPY HOLIDAYS

PLEASE HELP US...

•During AM drop off of students, could the drivers please keep the flow of traffic clear in the school yard. This is important for safety now that snow has arrived.

•It is important to mark all student winter clothing with some sort of an identifying tag. Now that it is ski pants time, the majority of our students are wearing black ski pants. As a result, it is very easy for a mix-up to happen. Please help your student to be easily able to identify their clothing.

•We are now searching for a pair of no-bib black ski pants by *Protection System* size 10-12. ER should be written on the tag. If a student brought them home by accident, please return them to school as soon as possible.

THIS IS THE WEEK OF OUR WINTER CONCERT

THE WEEK!**

SLIDING SEASON HAS STARTED

Recess time has now become a great time to get out those sleds and go sliding. What a difference a little snow makes in recess time activities!

DONATIONS FROM THE PARIS HISTORICAL SOCIETY

We were delighted this week as Elaine and Warren Emery presented many boxes of gifts for children provided by the Historical Society members. Elaine, herself, was responsible for many of the hand-made items. What a wonderful donation for the Christmas season! Thank you to all of the members!

STUDENT CRAFT FAIR

BOBCAT PRIDE TICKET
presented for being:
___ safe ___ responsible
___ respectful
Presented to _____

STUDENTS WERE ABLE TO PURCHASE STUDENT-MADE CRAFTS WITH BOBCAT PRIDE TICKETS

On Tuesday, there was a “craft fair” for our West Paris students. On sale were many many crafts which had been completed by the students, themselves, in the classrooms. With the help of volunteers, these purchases were bagged to go home and many of these crafts were purchased for parents and other family members.

Students receive Bobcat Pride Tickets when they are caught being safe, responsible and respectful. Weekly one name from each grade is drawn and that is how students become *Student of the Week*. These tickets are saved and counted for special events. On Tuesday, these tickets were used as “money” for the craft fair.

The crafts had been designated with the number of tickets which were needed to purchase them. In this way, the more tickets a student had, the more purchases which could be made. What excitement as the second graders shown in the pictures above deliberated about the best way to spend their tickets.

The Explorers Program

The Explorers have had a lot of fun this week making gifts and ornaments for family members and the school craft fair. We have also enjoyed getting outside in the afternoon to play in the snow and to work on the snow forts.

Schedule Change

Due to maintenance on the boiler system The Explorers will not be open during the holiday school vacation weeks. We are sorry for any inconvenience this may cause for those in need of child care during those weeks. We will be back to our regular schedule when school resumes on January 4, 2010. We look forward to having you join us for the winter activities in January.

The Explorers wish you all a safe and happy holiday season.
