General Instructions:

Complete this process at least four months before the activity or event.

- Complete the Beyond the Troop Event Application with preliminary budget and timeline and submit to the council office. Once we receive the information in the office we will confirm with your service unit director that she approves of the activity; that your troop has participated in the product sales program and the annual fund.
- You may forward all forms to the council office by: Email: BTTE@gsgatl.org Fax: 770-702-9586 or USPS: 5601 North Allen Road, Mableton, GA 30126
- Please note that the event director is required to submit a Final Event Finance Report with 45 days of the end of the event to the council office. Failure to do so may result in denial of approval of future events.
- Certain events may require additional information before approval can be granted. You will be contacted directly for any additional information needed.

Important Reminders:

- **NEW:** You do not have to submit a separate Money Earning Application - this form is inclusive
- The event or activity is not approved until this process is complete
- You may not advertise your event until approval process is completed
- The earlier you submit your application, the better chance we have of working through any problems and not holding up your event. In any case – the completed and pre-approved application should be received in the council office at least 60 days in advance of the time you would like to advertise the event– please note that if you have a contract that needs approval you should begin the process as soon as possible.
- We highly recommend that you view and use the additional resources that are now available to you to help with planning and organizing your event. Information can be found below.
