RECTORY – EMERGENCY ONLY
419-874-2217

Dear Friends,

Someone once said that “a vision without action is a dream. And action without a vision is chaos.” Over the course of the past activity year (2010-2011) our Pastoral Council prayerfully and carefully constructed a “St. Rose Parish Vision and Values.” As we celebrate 150 years as a parish, it’s good to think about where we are headed and what we need to be. Our parish Vision is not a catchy slogan, but rather a guiding expression of what our parish seeks to become. It’s about both the future and the here and now. It’s the ideal—what we are striving to be, with God’s help. The parish Vision helps us to formulate specific plans and priorities for the life and ministry of our parish. Each parish ministry or organization needs to help bring the Vision to reality. Our parish Values flow from our particular parish’s history and identity as well as from our parish Vision. We will seek to instill, promote, and live these values through our parish ministries, staff, and in the life of our parishioners.

With joy and gratitude, here is our St. Rose Parish Vision and Values:

SAINT ROSE PARISH VISION AND VALUES

Our vision is that Saint Rose be a warm and welcoming Catholic parish community. As Grateful Stewards we seek to share our faith and our blessings with one another. We strive to know our Catholic faith and to share it with others. We treasure the Word of God and the Sacraments of the Church. The Holy Eucharist is the source and summit of our lives, and this Sacrament of Love moves us to reach out to others with compassion. Like Christ Jesus Himself, we seek to serve and not to be served, and to love one another as He has loved us.

OUR PARISH VALUES

- **Gratitude**—We recognize that all we have is a gift from God.
- **Generosity**—In gratitude we seek to share our blessings and our faith.
- **Reverence**—We show reverence to God in our prayer, our worship and our way of life. We promote a respect for all human life, from conception to natural death. We welcome all visitors as if they were Christ.
- **Deepening Discipleship**—Throughout our lives we seek to grow in our understanding of the faith and in our imitation of the Lord Jesus. We are committed to the value of Catholic education and our parish school. Whether young or old, we seek always to draw closer to the Lord.
- **Compassion**—We reach out to others in their need so that they might know the compassion and love of Christ.

Approved by the St. Rose Pastoral Council, April 2011, the 150th year of St. Rose Parish.

In the Lord,

Msgr. Borger

ST. ROSE MINISTRY OF THE WEEK

St. Rose Parents' Association

The mission of the St. Rose Parents' Association is to help fund student activities and provide resources for our school's classrooms, as well as hold social events to bring us together as a community. All of the parents at

St. Rose School make up our Parents' Association. The Parents' Association Board serves to oversee and organize the volunteers for all of our events.

We hold many events throughout the year for our students and their families. Some of these social events include a Pool Party, Donuts for Dads, Trunk-or-Treat, Grandparents Day, Santa Breakfast, Muffins with Moms and a Carnival on the last day of school. These events help to promote fellowship and community within our school.

There are also events held with the hopes of uniting both our Parish and School Communities. A strong bond between our school and parish helps strengthen both communities. School/Parish events include Celebrity Wait Night at Stella's, The Holiday Shopping Extravaganza and Anchors Away. We encourage all Parishioners to come and support these events. There will be more information about these events in upcoming bulletins.

Elevator Demolition Completed

The demolition work on the elevator is over, this week the 12" foundation for the elevator was poured and the block walls for the hoist-way were laid. The exterior of the hoist-way will be water proofed with water stop joints. Once the block walls are completed the area will be backfilled and Moser Construction will begin building the elevator control room in the basement of the church.

The base of the church has been completed using a "smooth stick-joint" tuck-pointing technique. The caulking around the stain glass windows has been removed and new caulking

has been applied. A special tuck-pointing tool was designed to apply a "grapevine joint" that will give the mortar a vine like appearance in the middle of the mortar.

Safeguarding Our Treasure: St. Rose Finance Council

Among the hundreds of volunteers at St. Rose, one of the lesser known committees may be your Finance Committee. Meeting on a regular basis, they provide oversight and advice for the Pastor in all areas of parish finance.

The committee is made up of individuals with varying financial backgrounds - ranging from CPA to corporate staff managers, a retired Chief Fiscal Officer, financial planner and company owners. While their positions may vary, their fiduciary interests are extensive. They monitor each area of parish fiscal operations including the cemetery, school, endowment fund and special programs. Each month one or two members review the details that go into the parish balance sheet and operating statements. Members receive the routine reports as well as reviewing the budget statements in detail. We take our volunteer duties very seriously.

In addition, members attend annual Diocesan training sessions so that they have a working knowledge of the requirements and laws that apply to the management of parish funds. Every effort is made to be certain we have the internal controls and checks and balances necessary to assure security and responsibility for a parish of our size and complexity. Your questions or comments are always welcome.

Joe Klein, Chairman,
St. Rose Finance Council

WOULD YOU LIKE TO SUPPORT VOCATIONS TO THE PRIESTHOOD?

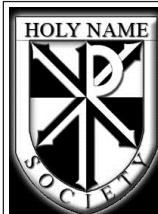

Saint Meinrad Seminary and School of Theology has a long history of service to the Diocese of Toledo. In fact, 69 active and retired priests of the diocese are alumni of Saint Meinrad, including Bishop Donnelly, as well as 4 permanent deacons, 6 religious and 125 lay alumni.

For 157 years, Saint Meinrad's monks have served the Catholic Church through their prayer and work. Their seminary program offers students excellent spiritual and academic preparation for the priesthood.

Additionally, the Lay Degree Program offers master's-level theology courses for men and women. Saint Meinrad's permanent Deacon Formation Program provides individual dioceses with academic and spiritual formation for their deacon candidates. Retreats are also available for individuals or small groups.

For young people, the "One Bread, One Cup" summer liturgical leadership conferences at Saint Meinrad offer the chance to learn about their faith and develop new skills they can use in their parishes.

You can be part of this important work. The monks of Saint Meinrad Archabbey encourage you to pray for vocations to the priesthood and religious life. They humbly ask for your financial support and partnership to continue this work of serving the Church. You will be receiving a brochure and letter from Archabbot Justin describing the work of Saint Meinrad. Please read the material and respond as generously as you can.

HOLY NAME SOCIETY

Men of the parish are invited to the next meeting of the Holy Name Society, Saturday, October 1, following the 8:00 a.m. Mass.

All are welcome to join the men of the Holy Name Society as they pray the rosary prior to Mass, beginning at 7:30 a.m. Following Mass, the Holy Name invites all men of the parish to gather in the basement of the church for coffee and reflection. For more information on the Holy Name Society, please contact: Fred Elwell 419-872-1364 or email felwell@bex.net.

WE ARE GRATEFUL STEWARDS

Next weekend will be the first one in October. Our Grateful Stewards tithe next weekend will go to FOCUS, the Fellowship of Catholic University Students. FOCUS is a national evangelization outreach established on 50 campuses across the country. St. Rose parishioner Laura Gifford is a FOCUS minister at the University of Kentucky. Our tithe will go to assist Laura's team at UK. Laura writes, *"We strive to meet students where they are and invite them into a growing relationship with Jesus Christ and the Catholic faith. I am serving at the University of Kentucky for my third year as we work with the Newman Center on campus to bring others closer to Christ. Teaching students how to develop a prayer life has also lead to over 280 vocations to the priesthood and religious life since our inception in 1998. Building strong Catholic leaders today will help win the world for Christ. Thank you for your generous support which allows me to serve young people."* In gratitude to God for the blessings our parish has received, we will gladly give FOCUS 5% of next weekend's collection.

What blessings has God given to you recently? How are you sharing these blessings with others?

MORE THAN SILVER OR GOLD

**St. Rose Parish Stewardship Mission
with Father Daniel Mahan**

Saturday, October 15, 2011~Wednesday, October 19, 2011

+++++

More than Silver or Gold, our parish stewardship mission comes to St. Rose Catholic Church beginning with the weekend Masses on October 15 and 16, 2011.

“Most people are convinced that stewardship is a word that starts with the capital letter “S” with a line running down the middle: \$. In the parish mission, you’ll hear me set the record straight—for stewardship is about much more than silver or gold,” says mission priest Father Daniel Mahan.

Father Mahan will preach at all of the above weekend Masses (Saturday 5:00 p.m.; Sunday 7:30 a.m., 9:00 a.m., 10:30 a.m., 12:00 noon, and 5:00 p.m.) and at the hour-long evening sessions held at 7:00 p.m. on October 17, 18, and 19. The Monday evening session will conclude with Benediction of the Blessed Sacrament. Tuesday evening will conclude with the opportunity for confessions.

Mark your calendar and plan to join your fellow parishioners to learn about stewardship as a **way of life—a spirituality** for busy people.

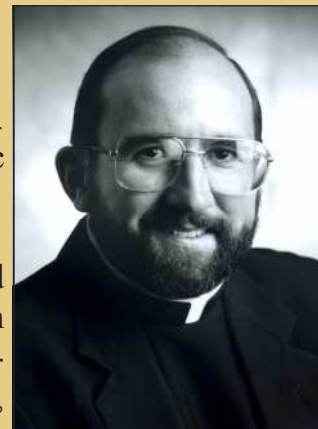

For more information please contact the parish office at 419-874-4559.

+++++

Father Mahan’s Biography

Reverend Daniel J. Mahan is a priest of the Archdiocese of Indianapolis. He is the Executive Director of the O’Meara Ferguson Center for Catholic Stewardship at Marian University.

Father Mahan was ordained to the priesthood in 1988. Until 2006, he served as pastor and associate pastor of parishes throughout Central and Southern Indiana. Now he serves full-time in stewardship ministry, making presentations to diocese and parishes throughout the United States, Canada, in Spain, Australia and the Philippines, and most recently in China. He has served as a faculty member and the Director of Formation for the Institutes and Conferences of the International Catholic Stewardship Council.

He is the author of *More than Silver or Gold: Homilies of a Stewardship Priest*, published by Saint Catherine of Siena Press.
